- The Spirit World (**Reikai**) has a system in which they rank all beings within the three worlds, including the Living (**Ningenkai**) and Demon Worlds (Makai). These ranks are given based on the being's physical abilities (strength, speed, etc.) as well as the amount of spirit/demon energy they possess. They are separated into five classes, from weakest (**E-class**) to strongest (**S-class**), with three tiers (**upper, mid, and lower**) typically in each one.
