Words: Cube, Cantilever, Modern

- **Cube**

1. I looked at it as an open minded but still in my box of comfort
2. I liked the structure for my set

- **Cantilever**

1. I've had this kind of lamp before and smaller versions are good desk lamps
2. I'm a photographer so I've used and seen stands and lightboxes like this one
3. I've seen this is sports and I am using it for a set design

- **Modern**

1. Again, I'm a photographer and a modern studio is something I dream of and hope to get once I get the money to buy it.
2. Modern desk style that I hope to put in my studio
3. Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s. It was a piece painted by Van Gogh called "Starry Night"
