

A man with a determined, intense expression is shown from the chest up. He is wearing a black bandana with a white geometric pattern around his head. He is holding a pair of black sunglasses with both hands, framing his face. The sunglasses have the word 'HERCULES' printed on the temples. He is wearing a black leather vest with silver studs over a dark shirt. He also has metal wristbands on both wrists. The background is dark and out of focus.

# HERCULES®

THE  
STRONGEST  
BRAND IN  
EYEWEAR!

MEETS ANSI Z87.1+ FOR SAFETY.

HERCULES® IS A PRODUCT OF

GLOBAL VISION®

# HERCULES® ISN'T GOOD. IT'S OUTSTANDING!

Hercules® is the best of the best. It passes all the tests established by the American National Standards Institute (ANSI), plus it passes the Global Vision® internal test of the crushing force from our forklift.

The shatterproof polycarbonate lenses are equipped with a scratch resistant coating and UV400 filters. If that wasn't enough, we've outfitted the Hercules® 6 to pass Military Ballistic Standards. It is capable of resisting impact from a 0.15 caliber, 5.8 grain, projectile at 640-660 feet per second with no failure to lens or frame.
