Model # RWB750

Bi-Rack Display

U.S. CABLE TIES RACK DISPLAYS are the best way to market your cable tie selection. Full-color signage and a mobile display rack make it quick and easy to draw your customer's attention to one of YOUR highest profit categories. Experience has shown that cable ties displayed on this rack out-perform sales on gondola displays by 40%. The U.S. Cable Ties Bi-Rack is approximately 7' tall (including signage), 24" wide, and 16" deep, so it can be placed almost anywhere. When you order a U.S. Cable Ties Bi-Rack, you get all the merchandise (55 SKUs/153 Packages), Display Rack, Peg Hooks with Scan Tags, POP Signage and Holder, Setup Instructions and a Plan-o-gram, all of which can be shipped directly to your store.
