How does it work?

The **Mark B. Beard Premium Plus Private Dental Plan** works similar to many dental plans on the market. You pay a monthly membership fee for discounts on your dental expenses. The plan is designed to cover preventative measures such as teeth cleanings and oral exams. This provides coverage that can be budgeted at an affordable monthly expense while receiving excellent discounts for higher cost dental treatments.

Who Administers the Plan?

Dr. Mark B. Beard's office staff administers the plan and works with you directly to make all dental treatment decisions. There is no need to contact any 3rd party company for information of pre-approval. All questions regarding plan coverage, verifying benefits, changing coverage type or any other questions will be answered by us at Dr. Beard's office.

How Do I Use a Specialist?

This plan is designed to help you maintain dental care that can be serviced in our office. We may refer a patient to an outside specialist, based on the patient's specific needs. Dr. Beard will work with you to decide the best treatment option for you.

Why the Program Works

Everyone agrees that decisions about dentistry are best made between the patient and their dentist, without a third-party company's involvement.

The Mark B. Beard Premium Plus Private Dental Plan is different! It has been designed to provide you and your family with affordable preventive dental coverage, with no impersonal interference.

Not only does Premium Plus provide outstanding coverage on preventative dentistry, the plan offers excellent coverage on major dental procedures like crowns, root canals, and bridges.

Since your Mark B. Beard Private Dental Plan is not administered by a third-party company, all the decisions regarding your dental treatment are decided by you and Dr. Beard without the need for claim forms, approvals, deductibles or waiting periods.
