PAMM - An On-Line Annual Subscription Service Providing You that 24/7 Comfort of Knowing

TRI-SSI

Consulting. Monitoring. Asset Management.

Artificial Intelligence in a Real Environment

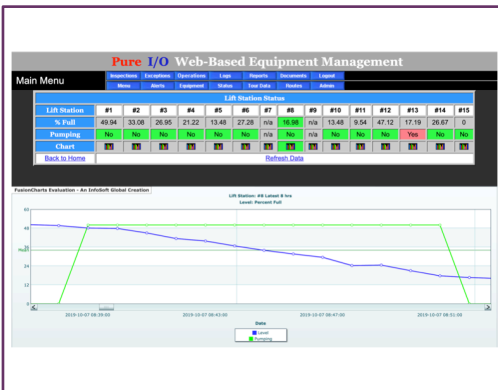

Providing Asset Management for over 40 years

TRI-SSI has the knowledge and talent to identify your Assets and create protective tasks that ensure they are being managed and operated to enable the longest possible life-cycle. TRI-SSI also has the tooling to house those assets and guarantee protective tasks are being complied with to the highest degree. Let us monitor your Assets 24/7 so you can get the rest and relaxation you deserve.

Empowering Your Employees through Knowledge Based Methodologies and Technologies

Maximize every employee's contribution by hearing their voice and acting in timely manners.

Working 24 Hours a Day to keep You Protected and in Full Compliance

We apply our knowledge with today's technology to provide a new form of Artificial Intelligence that alerts you when things are nearing non-compliance prior to becoming non-compliant. We also provide Monthly Reports designed specifically for you.
