

Testament of Noah - A Daughter of Al - Sirach

Last Messenger of the 1st Age of ManKind and his children

Recorded by:

Moshe Ben David

Last Messenger of the 7th Age of Mankind

Prelude

Like the prophet Noah (Olave Ha Shalom) afore time. You have been chosen. By an authority beyond mans conscious comprehension.

The proof?

You are reading this book. Which means, like it or not. You are apart of a Meta Physical resistance spanning multiple dimensions. A family refusing to have its conscious, and physical identity consumed, dissected, and categorized.

The fight it seems is overwhelming with the more technological, and social distractions of which bring you no substance. Only advancing the chronic decay of the Human Condition and that of Conscious Enlightenment the sacred Ha'ArA.

Like a Vine; blind in the dark reaches for a firm physical anchor in which to set upon and anchor. So do you too meta physically reach out for a higher consciousness, that you to might find a firm anchor, and foundation. That which is known as guidance, sought through you're creator, not that of Man.

You desire conscious existence. Not an existence defined within the physical parameters of ones self imposed Prison by way of delusions like the promise of tomorrow when we know not if tomorrow will be, or that of love, hope, and fear. A literal psychological and physical tomb in which you become numb to you're own physical and conscious decay.

You are starting to see the patterns. The patterns of individuals choosing to remain dumb, docile, and complacent. The patterns of a People whom posses more beast like impulses and emotions of desire than that of wisdom and humility.

You notice that this complacent mind set, this systematic like brainwashing that removes the very essence of what makes you unique. A uniqueness that is not defined by a bumper sticker, Hair Style, Tatoo, Piercing, or Social Media platform, but defined by ones ability to decree Good from Evil.

Then a call, a knock at the door, or a vibration oof you're phone. You begin to notice the more often you seek to stop physically all actions, quiet the mind of all thoughts the more distractions in various forms present themselves to literally pull you off of a straight cognitive path.

This isn't the Twilight Zone, No. This is the world of Mortality. A world that has been governed ruthlessly by a few dominating families whom trace their lineages to ancient Egypt and that of Babylon. A system that is designed to prevent individual identity, thought, and most importantly how to communicate with a higher consciousness.

While modern technological innovations seem to broaden substantially our comprehension of medicine, and sciences of the elements. Technology has at the same time desensitize oneself from the ability to see, feel, communicate, hear, and understand another human being without depending on a device, or social network to serve as the means in which to classify an individual.

The Free will to choose, to drop as steadily as a rock into water to stop, take pause, and examine thoroughly that one may be sober in the ability to not only make decisions for the self, but that of others should one be in a position of influence.

I: מקדשי שקר

MikDashi ShKer - The Temples of Deceit

Religious institutions regardless of the ideology be that;

Hindu, Buddhist, Christian, Judaism, Islam, Catholicism, Mormonism and Evangelicalism. Have indeed organized their religious organizations to be financial powerhouses. Some institutions literally opening banks like that of the Vatican Bank. Only that they may use their horde of treasure to fuel two hands.

The right hand of their institutions are used only to keep the world of their sexual perversities and their paeanistic rituals used to justify the systematic abuse and rape of children. And that of a Left hand of which holds the keys to their treasury.

Not to save money in hopes of urban relief, no. The Left hand is used to feed the judicial beast of which exists within the countries where in they abide. That their inquiries deeds might go seemingly unnoticed.

They are not temple of the creator. They have abandoned the sanctity of the human condition by abandoning free thought and reflection of which are the very ingredients required to attain humility, and Gratitude.

Abandoning the path of Ha'Ara for that of sadistic sexual and financial exploitation of its members, and that of the kindness afforded to them from the communities in which they like a parasite feed upon.

Noah (Olav HaShalom) existed in a world much like ours today in the understanding that Humans are not seen as individual souls with individual purpose. A world where ever human child and adult possess no more worth or right to the ruling classes than that of cattle hanging off of a meat hook within the slaughter house. Patiently waiting to be injected with a slurry of hormones and chemicals, weighed, packaged and sent off to fulfill its part in quarterly earnings.

Noah (Olav HaShalom) upon his ship resting upon the land commanded his people to obey 7 laws. 7 Laws designed to maintenance, and fortify the moral, and ethical reasoning of Man and Women. That by removing the distractions godless societies create to prevent mankind from experiencing social unity via Ha'ArA (הָאָרָה).

II: הָאֶרָה

Ha' ArA- Conscious Enlightenment

Ha'ArA (הָאֶרָה) is moment we are made competent as individuals to give credence to the most powerful guiding voice, that of our creator. The silent voice. The voice that tells you a person means you harm when you have no proof, or is indeed lying to you when you have no proof.

Or perhaps you have stood in a given situation against all odds and explanation of logical reasoning. Only to surrender yourself to the miracle you've been privileged to witness. That is the very moment of Ha'ArA (הָאֶרָה).

Ha'ArA is any moment a mortal consciousness becomes aware of a greater consciousness not existing within the 3 diminutional parameters of our mortal time in space. Ha'ArA is the moment that an individual consciousness acknowledges that there is a greater unbound consciousness independent of its creations of which controls, and knows all things.

This event is often quickly forgotten again by the many devices created to compel you as an individual to desensitize the very essence of what makes you unique. That of your ability to communicate with a higher consciousness in which to receive guidance.

Be that the guidance a mother seeks in rearing her children, or that of Grand Mother her grand children, or that of the scientist who by Ha'ArA is quickened to the revilement of a more efficient man in which to develop a technology to ease the toil of ones labor in the field or that of space.

קול הזהב I: KolHizhav - The Golden Voice

The Golden Voice, the voice of Silence. How often have you heard this soft, gentle, yet stern voice compel you, not command you. To not do a thing of which brings great harm?

The more daring question to ask is;

“Why is my vocal voice as Loud as the Voice within my conscious mind?”

Should this query not be of any challenge ask you're self;

“Why are the voices in my dreams and that of my own voice within a dream, and that of my mortal voice. Louder than this faint compelling voice of wisdom?”

Then ask;

“Why are these voices of dreams, and that of the mortal world are all loud, or audible to me in comprehension. Yet the Voice of which compels me to do a thing that I may not experience hardship is ever so silent?”

Now, a question that will shake you to you're core of which answer requires payment. Not of the mortal world. No, Beni Noahide can not take coin of Gold, or Silver, past their grave. The only form of acceptable currency to be paid by that of the creations of the Almighty in regards to Mankind and that of the JinnKind are their Deeds.

Yet you are Beni Noahide, you have only just begun to release that regardless how mighty you're past good deeds may be. They are indeed shadowed by the iniquitous acts of which you keep hidden within you're breast.

Ahhh, and now you see, and thankfully understand that the only real value you possess in payment is you're confession, you're Teshuvah. For Now you see. The one who controls the volume of the voices is not that of a mystical nature.

It is you. The Golden Voice is just as loud as any voice regardless of the dimensional positioning in which you are physically present. Be that a physical presence in the realm of mortality our Earth, or that of the realm of visions.

Just like when you were a child. You hear all the noises of the home, and its occupants just as clearly as the voice of the guardian whom reared you saying;

“Do not touch the oven, it is hot! You will burn yourself!”

Yet you chose of free will. To ignore the loudest voice, indeed making that guiding voice the quietest. From the moment we take our first steps we are indeed destined to run from the security and compassion of which our creator provides.

Be that protection in the form of a Golden Voice inside you're soul calling you back to safety, or that of a friend, a stranger, or if indeed you are of the favored a loving mother.

Like our father Adem, and that of Noah (Olav HaShalom) systematically inclined unto misguidance. Until the moment our loving creator chose to awaken them.

That thy stop and take thought, pause, that one might broken not only ones cognitive and conscious perspective, but also that of the circle of compassion, and mercy we draw around ourselves, that we may in the creators timing borden the circumference of. That indeed the solitude of Ha'Ara may indeed be enjoyed by others.

The Way of Meditation-Drach Shel

The human body is commonly misidentified to be the identity of the literal face of the soul or that of the human consciousness. Nothing could be further from the truth, but this is a commonality found among human societies governed by patriarchal hierarchies.

Masculinity represents the most animal based instincts. A horrible prison for a mind of which desires to be a servant of their creator by way of cognitive enlightenment.

So who are you? Are you a name? Color? Race? Are you defined by the superficiality of the carcass you're individual soul inhabits? Have you ever even given thought to this?

You are a soul. What is a soul, a soul is a piece of the creators breath. When the creator looked upon the empty carcass saying "Be" and half of what we know to be the masculine portion of the soul or consciousness within his body.

Your appendages, every extension attached to the torso of you're Human body is not only a physical extension, but they are also Electrical Magnetic extensions of you're very Soul. Can this be detected? Yes

The most intriguing phenomenon witnessed within the medical sciences in the study of Neuro-Psychology and that of Clinical Psychology is the physiological effects whiteness by psychological stresses.

Even in a setting where a person is not physical harmed, increased or prolonged stresses cause physical ailments to appear. As 85% of

the physiological and Anatomical wellbeing of the humane body is dependent upon ones psychological state of wellbeing.

The Holy Sefirot

The Sefirot tree is the visual map used to understand the specific Electrical Magnetic Resonance generated by each individual organ. This well known study of ancient medicine is most commonly associated with the Egyptian traditions of mummification. A delicate process of cleaning every organ upon its physical removal from the body. To be placed in urns made of crystal.

Sadly, the Egyptian's, like that of the Babylonians, and the ancient Empires whom proceeded them and where made more firm in foundation upon the earth with that of their structures and their comprehensions of the elements.

The architect of the Sefirot, its physical measurements, calculations, understandings of Human anatomy and physiology are the work of Abraham and Sarah (Olav HaShalom). Sarah decreed the Sefirot map, and that of the studies of the earth, elements and that of medicine to be the study of what is known as Kah-Bah-Lah today.

When Abraham his 350,000 soldiers, their wives, children, Sarah, Hagar, and those whom where citizens of the Babylonian Empire whom followed Abraham. Followed the Mother and Father of the Hebrew Race into the desert.

It was in this exile the creator sent the Angel Harut and Marut to deliver a book containing the disciplines of science, medicine, Geometry and Astrology, a book that commands mankind to worship only one creator, a book that decrees the creator has no children. When she wills a thing to be she says “Be” and it is.

The Book of Kabbalah had three letters written in gold in Hebrew, the letters;

Kah, Bah, Lahmed. These very letters when pronounced in unison compose of what is known as Kabbalah today.

Hebrew, is the lowest dialect of the first language taught to Mankind. The first language of man known as Babel today. Was a dialect of the speech of angels in the mortal form. The language of Hebrew outside the 3 dimensional implementation is not found in the words, but rather the combination of letters composing a given word.

Every individual Hebrew letter, is an individual word in the language spoken to the Angels from our creator. The combining of a Hebrew letter with that of a tone or pitch of you're voice if preformed correctly can alter the physical state of reality in any given situation. Should it be the will of the creator that you be chosen as the vessel to command a thing to be.

This type of comprehension requires studying quantum Mechanics and that of Electrical Magnetic frequencies in order to comprehend the depth of which frequencies are in the understanding that every living cell on the earth and natural material object within the physical Universe is vibrating with a frequency. We as a species have only become deaf, dumb and blind to this due to the fixated addiction to stimulate our five senses as a means to coping with stress, or emotional challenges.

Seven Laws of Noahide

The creator does not impose the spiritual and physical confinements upon Man and Woman's desire to experience the pleasures of this world as means of torturous subjugation, No. Our Creator presents us with the power of Free will.

Free will, is the conscious awareness that one does not possess the control of a thing anything outside of itself than that of a pillars ability to support a thing attached to its top. Or an Arch's ability to bare the weight of any holdings outside the structural securities of its Keels found within the Seven Laws of Noahide.

עדותו של נח

Eduto shel Nech- Testament of Noah

-By way of Jehovahs Last Messenger Moshe Ben David-

Ra,Se,Mem,Tet,Kah:

In the Name of (יהוה) Jehovah. Whom posses no physical form, nor sexual orientation. Jehovah is the omnipotent one. Jehovah is the almighty consciousness beyond ones mortal comprehension, but know Jehovah is she not he.

So decrees the Lord Empress of the 13 Realms;

“I Jehovah have commanded my messenger whom I favor above all my messengers Moshe Ben David to deliver this law unto the peoples of the nation of whom are not descendants of Abraham, and their for not held by the covenant made way by circumcision.

So obey the messenger you men and obey the wife of my messenger oh you women whom fear the meeting with their lord upon the appointed time.

For Feminine consciousness is a degree higher than that of Masculine.

Or are you of those whom describe masculinity as the means of governance?

Perhaps you showed inspect the kingdoms of the Honey Bee, the Hornet, the Bumble Bee, the Ant, the Termite, the pride of Lions in this is a sign for those whom fear the meeting with their Lord.

It is indeed the Rib that we have chosen as a means of guidance unto Man and his family. Have we not bestowed within the very souls of your wives, and that of your daughters a thing in which you posses not?

That of my Radiance!

See I have made their soul like that of the Moon, ever glowing, a source of solitude for you in the darkest hours. That you might seek

their interpretive guidance by way of divination with the sacred sciences of Kabbalah.

Encourage you're women folk to be that of piety , and modesty when outside their homes. That Jehovah would incline unto them with compassion and their by increasing the power of their radiance.

For the Lord bestows great favor upon the women seeking to hide that which the Lord has made apparent.

In this is a sound Logic; and wisdom for those whom seek the everlasting forgiveness, and reward by way of their Lord in the implementation and individual practice of her commandments upon you're soul.

Or has our messenger not informed you?

As we did inform Noah afore time. When we did order our Lord Commander of her majesties Armies , Hand of the Empress Gabriel to descend upon Noah saying;

“Noah son of El-Dahul Son of Enoch, The Lord has anointed you to be her messenger unto you're peoples and that of the world. The creator has deemed the nations of you're age to be that of a foul iniquitous nature. I am ordered to inform you to build a ship. That which will remain upon the earth.

You are to inform you're Elders as to that which we have made you to come to know. That they are ordered to surrender the essence of that of their minds, hearts and souls in Teshuvah (Repentance) by way of the name of their creator, Jehovah.

That the Lord may indeed incline unto them and wash that which they have as individuals surrendered. You are ordered to establish worship, and teach the methodology and edicts in which are to be implemented before the prayer.

Know, that you are ordered to instruct the men, and women (excluding those menstruating) to establish worship before the Sun has broken the Horizon, at the Mid-Day, and that of the end of you're Day when the sun has sunk below the horizon completely.

You are ordered to pay the poor their due with loving hearts. Just as the lord evenly distributes the charity of her mercy by way of providing you your livelihood, the rains of life, and that of the basic necessities and that which you take enjoyment for distraction. Yet you give little to know thanks in supplication.

Inform them, that we did not bestow knowledge and understanding of the elements for you to ravage the earth like that of a wild beast. We created mankind to serve as the Earths Viceroy's to live cohesively amongst the abundant life in the many forms of their ecological and animal kingdoms.

See how unto every Kingdom of Beast upon the land, the Sea, and the air. How indeed each kingdom does obey their prescribed edicts, and they do not fail in worshiping their creator in the unique ways in which the Lord has ordained.

For those women whom are menstruating. Know that this is an illness I have placed upon them, a great burden. Be gentle and loving to them. Ask nothing of you're wives, sisters, or mothers upon the days they say;

“I am afflicted by way of the Lord”

You are only permitted to gently seek their wisdom, and guidance of divination when invited.

For indeed there is no guidance more sound, and secure than that of our creator. Like that of the birthing mother. Jehovah's breast are firm, heavy, and full of the life giving milk of compassion, forgiveness, and that of our redemption bursting from her nipples.

Yet none desire the life of her milk. Selah

For the damned are those whom seek only to hold on to that which is of the world. Indeed those whom seek to be friends of the world are indeed enemies unto the Lord.

You're family oh Beni Noahide, clan, and kinfolk. Are not those unto whom you were born. No!

You're family, kinfolk, and clan are only those whom have taken the oath unto me, and daily seek the maintenance of the 3 daily prescribed prayers, and the guidance of my messenger for you men folk and that of the guidance of his wife for you women.

For my messenger, and those whom are amongst them will be spared from the wrath of Apophis. Of which all will come to bare in the world as Pharaoh Remise, did bare witness to my messenger, and his signs afore time.

Indeed, the Lord will is to forgive you all, but none desire to take the hands of their souls, and hold on firmly to the commandments of

which she has bestowed upon them. That indeed you may be guided aright and rest at ease within the security of her bosom.

There is none to understand you as I oh my sweet children of Noah. You're struggle against the spiritual forces of evil that of those of whom are you're kin folk and community whom cringe their teeth that you have found a firm resting place within the cleavage of my bosom blessed with my favor in the form of the forgiving of you're sins. Until again you break the covenant as a result of you supplications unto me."

Life, Death, the Promised Land

Ha,Gamel,Zayn,Mem,Yod, Tet;

Azrael (Olav HaShalom) the Angel of Death and Life. The creator commands him to deliver souls into the wombs of the mothers upon the day the bones are fastened within them. Then upon the appointed time to return unto the individual souls of Mankind and that of the JinnKind.

That the soul maybe pulled from its vessel. Its eyes, tongue, ears, heart, lungs, and that of its souls appendages are individually

removed. That the souls organs might later be called to testify against the guilty of whom heeded not the warnings of my messenger.

Then Azrael brings the soul unto two Angels, Munir and Nakir. Where upon the two interrogate the soul freshly extracted from the world of mortals saying;

“In the Name of the Creator! Declare the name of the Law and that of the Prophet of whom you pledged you’re allegiance in the world of mortality.”

The soul will declare its prophet, and the Angels will dictate as to which level of bliss the soul is to enjoy or which level of torture the soul is to endure until the dead are commanded to rise from their graves. As indeed seeds sprout from their shoots and push their way out from the soils depths.

So shall you’re mortal bodies be commanded to rise in which we will return the souls from the holding dimension called Bar-Zak. In which Mankind will be arranged in ranks behind the messenger of whom they pledged allegiance to. Then the peoples will be individually judged for the good deeds and that of their evil deeds.

Then you will be commanded to prostrate, but for those who heeded not the warnings of the 250,000 Messengers Jehovah sent upon the earth. For them will be the eternal pit of Hell of which there is no escape for them.

See, that for those whom seek my commandments in Teshuvah and heeded the warnings of my Messenger. For them are Gardens of

Bliss and Splendor wherein they shall abide unmolested, undisturbed forever.

Then after the Lord has completed the fusion of you're soul to that of the bone. See how we cover the bone with that of the muscle, and we order the muscle to be decorated ornately with that of the skin. That you may find pleasant rest in the beauty I have adorned you're spouses with.

In this is a sign unto those whom await the judgement of their Lord. For it is them who indeed know, not believe, but firmly know the appointed day of which they have been promised.

The day when the Angels say unto the Beni Noahide and that of our Messenger Moshe Ben David, and those whom have taken him as their messenger. Are indeed welcomed into gardens of bliss, and privacy.

The garden of splendor, Wherein the slaves of Jehovah and that of her chosen Beni Noahide will not be disturbed. No, upon the day of their judgement the angels will say;

“Shalom Alaych! Selah! The Lord Jehovah is the creator of all things. By the command and favor of Jehovah alone is a filthy wretched thing made pure and clean.

In the name of your creator enter the garden, and take rest. Drink from the rivers and take rest within your spouses whom you shall never be torn from again Amen, Amen, ve Amen.”

Until the Masculine portion of the soul consciousness chose of free will when it was filled unto the pelvis to run from the creator. Their by tearing away the female portion of our masculine soul consciousness.

Every man, is ordained one wife upon taking his first breath. For those men whom find no spouse upon the earth the Lord will breath into being a pure prefect Woman without sin. For the Woman that has not found a husband in the life of mortality will also be given a perfect Husband breathed into creation without sin.

One can not find their Soul Mate, until you have first found yourself and learned how to live you'Re mortal existence for the creator, not you're superficial desires. The Lord bestows upon all men a wife that they may have a gentle garden in which to find rest, and a gentle guiding light by way of the radiance the Lord bestowed you're wives with.

That God willing you might not incline unto the suggestive temptations of the deceiver as or father Adem did afore time.

Or are you like those whom say;

“Indeed we have taken the Oath before the Lord, that we might be guided aright as the children of Noah where after the great flood were again guided aright after they did yield and submit in prostration unto the Lord as her Messenger Noah and that of whom feared the meeting with their Lord afore time.”

Yet when unto you're dwellings you return and are questioned by those whom are indeed disbelievers saying;

“What is this? Are you of those whom seek the guidance of a man afflicted? One who has himself been cast off in exile by his brother the children of Israel? Is it not known to you? That he has been deemed a liar by that of his tribe and a terrorist by Rome (Secular Government of the United States of America) and her Allies?”

And you reply saying;

“Oh no! I was merely asking him (or his wife) a thing, that I may take heed. So that I might return and we make and laugh at him that we might deem him indeed of the foolish (her his wife).”

Know, it is you whom are the foolish, the disbelievers. For you, Hell will be you're eternal resting place. Where therein is no escape.

Know that I have ordered my messenger(s) upon the appointment of my messenger(s) Moshe Ben David, and that of his Wife's coronation to organize you're nations. To transition from that of their secular bodies unto a Theocratical state.

Governments subordinate unto my messenger are ordered to seize the properties and assets of all non Jewish Nations or persons whom have not taken the Oath of the Beni-Noahide, and re distribute that which is seized amongst . I have commanded my messenger to anoint 4 stewards. That of the North, South, East, and West to govern the Earth. That the sovereignty of my Government within the realm of mankind be established and you all guided aright.

In the name of Jehovah Most beneficent Most merciful. This Book is only complete upon the deaths of both the Messenger and that of his Wife. Upon their after their will be made no addition, nor any messenger sent upon the earth again. Amen, Amen, Ve Amen

The 3 Daily Prayers

The Abolition Before the Prayer for followers of Moshe Ben David Jew & Beni Noahide
-Testimony of mOsh Ben David, and Jehovah whom suffices for witness among her messengers-

In the Name of Jehovah. The wise, Seer, Knower of what mankind and that of the Jinnkind keep hidden in their breasts. Indeed our messenger is a greeter of glad tidings unto those whom are the state of Teshuvah, and those whom seek the guidance of their Lord.

Unto those who mock the messenger, and that of the beni-noahide. You Yidden are commanded to organize in accordance with the orders I have related unto the messenger. That you all might assist in the guidance and physical security of the Beni Noahide.

The human body is the property of Jehovah the omnipotent. Notice how when unto the wash rooms you go, and when you do complete that of the bathing. How you feel rejuvenated, relieved of the overwhelming burden of what you call stress at the end of you're day.

The stress, is that of the evil eye. The jealousy, hate, and anger of those disbelievers whom smile unto you. The worst of evil eye is that of which is upon the woman when the eyes of perverted men seek to find rest in the perverted fantasies they concoct upon the site of her curves and that of her radiance.

Should you be of those whom fear the meeting with me, and mean to meet me upon the 3 obligatory prayers. Know you are commanded to wash your selves according to the instruction of my beloved messenger. That you might all deionize the electrical magnetic resonance of you're souls. That indeed you may be clean from the curses, disease, and that of the evil eye.

For the disbelieving women are indeed lost wondering blindly in their contumacy, they expose their Hair of which is apart of the female Genital, and they are those whom wear cosmetic outside the home to attract the eyes of disbelieving men and that of believing men.

****Attention: Man is required to take a complete shower should you****

1. Rise from sleep finding you have in sleep ejaculated upon oneself without consciousness
2. Before and After Intercourse
3. In the even one soils themselves
4. Passing Gas that emits a foul odor
5. Physically come into contact with blood or blood or any body fluid contaminate that of you're garments. You are ordered to adorn clean garments after the complete washing in the shower of the hole body.

Bath is not Cleaning, as a bath has no in and out flow of water to pull away filth washed from the body

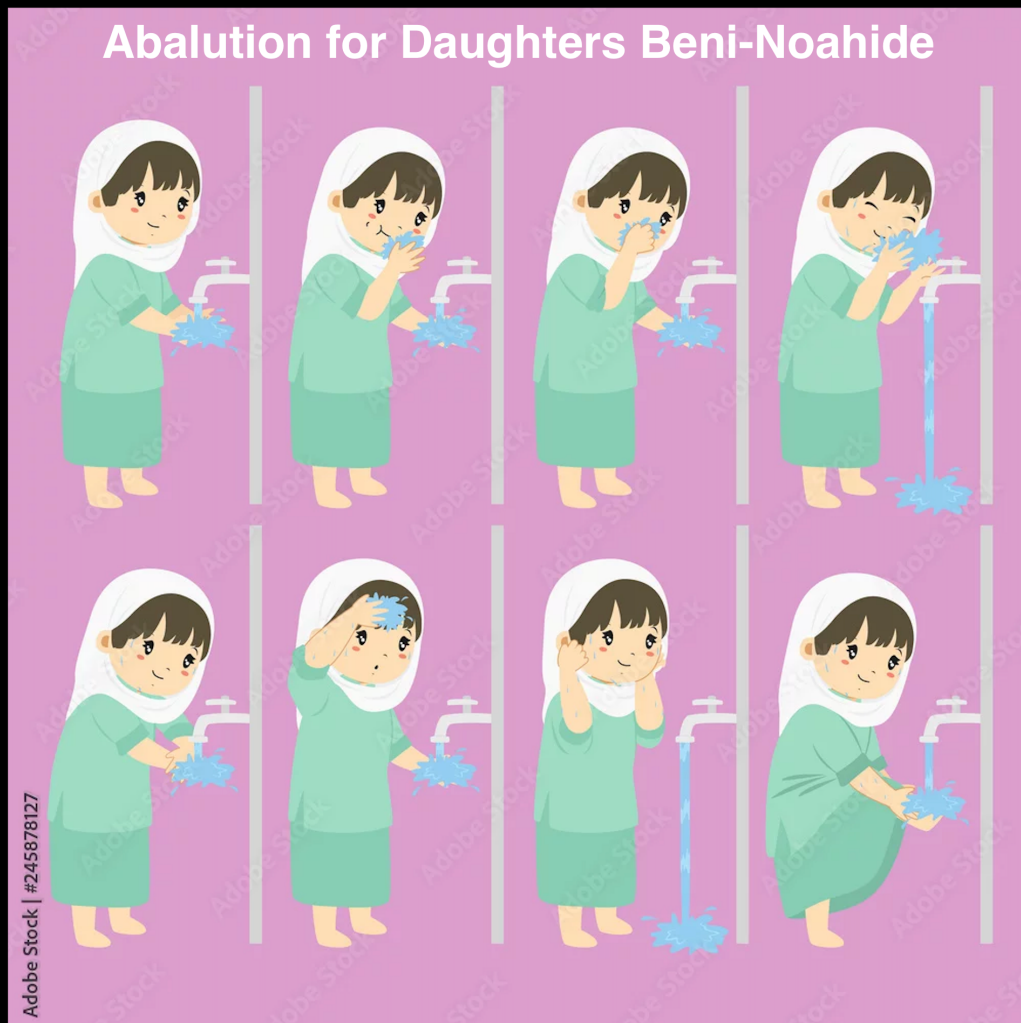

Indeed the Romans (Americans of the United States of America) say unto the disbelieving women. That to expose their femininity in making what I have commanded to be hidden that of the contours, curves, and that of their silhouette. That like demons they ight make

idols of themselves in reducing the men folk around them to that of the animal base. Only to bring shame unto herself and that of her community.

Yet within the depths of their heart they cringe in hatred towards you. Indeed, the disbelievers do smile, and they do flatter you with pleasantries, and they bite their tongues in anger of the favor, comfort and security in which I have bestowed unto Beni Noahide.

Yet their is no justification for their fanatic radicalism in saying;

Daughters of Beni Noahide, are commanded by Jehovah to cover themselves according to the edicts of Moshe Ben David as is illustrated above.

“The creator has a son”

When indeed I do not have children with my creations. Such is a perverted speech of those who worship the men whom are, but creations of mine.

For those whom have taken Jesus as their messenger are firewood for hell. They are of the perverted whom stand naked in but a robe calling to their dumb, and docile congregations whom question not their authority but do question my messenger and that of the Beni Noahide asking them;

“Why do you not take Jesus a human man as you’re God?”

“Why do you not cleanse yourself by way of baptism in the waters with the Priests?”

Say unto them, Oh you faithful Beni Noahide;

“You dumb and docile devils! Is it not known to you? That the 12 tribes where indeed cast out of Israel in to exile for they took the Talmudist teaching of Moloch and its sadistic misguidance over the guidance of that of our Lords beloved messenger, the true anointed (Messiah) guide of Jehovah.

Unto the Children of Abraham (12 tribes, Muslims, Sabaeans, Druids, Arminians, and AshKenazi whom of in merited the privileges endowed unto the tribe of Judah for their appointed Moshiach is the son of David, and that of Schneerson.

Made knowledgeable unto them by command of the creators will the Forbidden Necromancy Sciences of the Genetic Codex of Man, that they might reconstruct genetically the double helix of King David, with that of the DNA of Menachem Mendel Schneerson, Late Rebbe to Lubavitch (Olav HaShalom) and last Caliphate unto the Semitic tribes of Abraham.

Of whom afore time for told unto the messenger to the children of Ishmael afore time Saying;

“In the End of Days a great Caliphate will Die, upon his death will be great division and strife among the house of Issac and that of Ishmael. Until upon the nearing of his death the Caliph will order the genetic reconstruction of the line of David and that of Kings.”

Now see that Jehovah has kept the covenant in which she made with Abraham their father afore time.

Indeed we have heard of you're blasphemous propaganda, a perverted lie saying Goddess is a man and had a son? Only that you use this sadistic lie to serve as a cloak of evil to take that of you'Re daughters and that of the daughters of you're congregations into a tub of water whom stands naked with a pre pubescent minor covered in a over sized robe.

Only that the child be made a living sacrifice as the priest devours the soul of the young girl by way of ravaging her body to suit his sexual desire. Only after to find the children whisked off swiftly in the darkness while they bleed from their vaginal orifice. Then

allowing the wife of the priestess beating the girls into submission. That the child be by force to believe the sexual assault upon them is the force of their satanic Male God.

You Catholics, Christians, Mormons, Amish, Mennonites, and Orthodox Christian churches! You followers of the false prophet Jesus!

Cursed are you! By the messenger and that of Jehovah! For you all use this perverted ideology that the creator only creates to sexually objectify its incompetent creation.

For you hide great crimes, hoarding great wealth only to pay off the secular governments departments of Justice to beat, kidnap by way of arrest, and then have them held for ransom by way of Bail Bondsmen.

Only that you you're selves might kidnap by way of adoption young girls to be brainwashed to the objectified and made to give birth only that you might make financial and sexual slaves of the children whom they bare unto you.

Indeed the Lord Jehovah is seer knower and the wise of what you do in the places of which you foolishly believe are no eyes or ears. You are all Firewood for hell. Save you abandoned all that you have been brainwashed to know in exchange for the message.

Taking the Teshuvah and the oath of Beni Noahide unto the council of Elders. That indeed you might be forgiven by the will and power of Jehovah. Then made to dwell in a community of which you and

you're loved ones may find safety and security their in until the arrival of Apophis.

When the Messenger will inform us of the appropriate time that we the faithful will go in unto the earth and its caverns to take refuge from the great winter of which is no averting their from for 100 years.

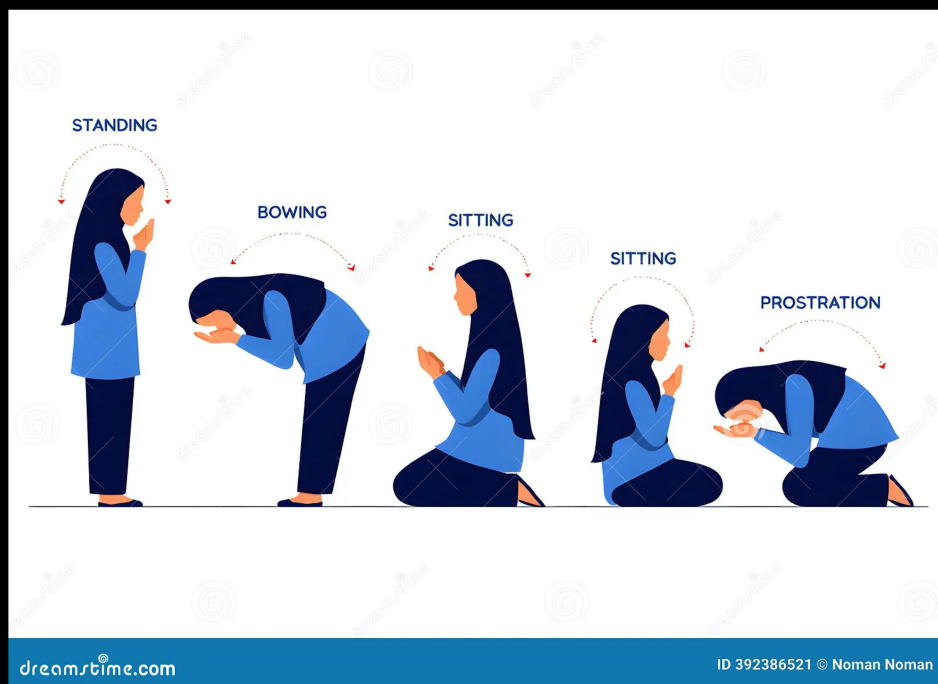

Oh Far away from the straight path and that of the merciful guidance have the children of Israel and that of Noah wondered, but we the Beni Noahide are of those whom follow the cursed, nameless slave of Jehovah, last messenger unto mankind and that of the Jinn.

They have deviated from the way. Promising falseness like that of their being no recompense for the acts of good and evil and that of which you held in you're hearts upon the Good or Evil act. Indeed we will bring you all to Judgment.

Jehovah is the Just, and upon the command that you all raise from you'Re graves you will all disbelievers and believers will be judged as evenly as that of the teeth upon a hair comb."

Se, Tet, Mem, Kha

Shema oh you Men of Beni Noahide!

So Declares the Lord Goddess of the 13 Realms;

“Forbidden unto you is it to affiliate you're selves with a political party of which has not publicly declared their obedience unto my messenger Madrikh Obadiah Moshe Ben David.

As my Messenger has been delivered to call upon his tribe of which they have firmly rejected. That 4 stewards of the earth be chosen from amongst them.

To rule as stewards under the authority of the reaffirmed, and reestablished Theocratical-Monarchal rule of the House of David by way of his Son, Madrikh Obadiah Moshe Ben David.

Indeed I have kept the covenant made with the children of Israel and that of the children of my beloved messenger Noah afore time.

For this book of Noahide is the Daughter of the last guiding light upon the earth in the form of the message by way of our messenger in the book of Wisdom (al-sirach).

Forbidden are the secular bodies of Government, for they have declared themselves my creations independent of my sovereignty in implementation and adherence of the law, and their by declaring themselves Gods and Goddess equal to me.

For this, I shall wipe Rome and that of all its inhabitants off of the face of the earth. Like a slave wipes away filth from a mirror upon command of his master.

See how the Romans (United States of America and its Allies) have taken idols of my messenger Moses, and say my name as if I should be a helper unto a nation that makes harlots of their daughters and the vulnerable.

Cursed are the Romans (United States of America and its Allies) for them awaits a painful doom. One requested by way of my messenger Moshe Ben David whom I hold above all my messengers.

My champion, my nameless cursed slave, Oh Moshe, there are none like him of which I have or ever will create. Oh and for my messenger I have indeed laid a heavy burden upon his heart in the absence of his wife.

For if I had delivered her unto him, he would surely be drunk upon the immense radiance I have placed within her soul. Oh indeed, the female half (Wife) of Moshe Ben David is the example of the gentleness of my love, and mercy.

Ahhh, what does my messenger see when I show him a portion of her hands and that of her feet?

Oh, I have made his eyes to see that of the illumines nature of the electrical magnetic bandwidths of her Soul and every soul upon the Earth.

How indeed the soul half of my beloved messenger, is as gentle as the glow of the moon and warm and bright as the gentle rays breaking the horizon at day break. That indeed her Baali might be awaken from the nesting pillow I have made for him by way of his wife's bosom.

Selah

Should you men of Beni Noahide seek to be drunk like that of my messenger is upon the very sight and sound of his wife's breath with that of those spouses I have appointed unto you.

Then seek me in Teshuvah, and follow that of the example of Moshe Ben David, Moshe son of Bithiah son of Jochebed, and that of Noah son of Enoch.

That indeed he will rise with the vehement fury of the sun in deliverance of the message and the chastisement of his people in their defiance to the commandments given to them afore time.

Commanded are you, never to turn a cheek when struck or that of the physical or psychological state of you're wife or that of you're children be assaulted or infringed upon. I have not sent my

messenger to bewitch you into a dumb docile state like that of a sheep awaiting slaughter.

No, I command you to rise, rise in the morning and seek me in Teshuvah. That through you're repentance and abstaining from that which is not permitted unto you be made to rise again like that of the Lion.

Be aware you Sons of Noah. Obligated are you to obey the ordinances commanded upon the sons of Jacob in Al-Sirach. Excluding the circumcision of you're sons. Amen, Amen Ve, Amen

No! You inclined unto contraceptives only concerned of the immediate effect in the ability to make you're eggs not fertile. That indeed like a Sex Worker you make a public mattresses for any man to take rest upon. So long as the appropriate superficial materialistic constructs. That by the misguidance of you're idols you might be like the false Goddess of fertility.

Indeed many of you have heard my messenger and took no credence. No, You continued to stuff you'Re faces with carcinogens like that of sugar, Gluten, alcohol, and pharmaceutical drugs. Seeking an industry of which is solely built off the maintenance and preservation of illness might become the temple in which you seek solitude.

When indeed you should be of those whom seek security of well being and fertility within me and that of Teshuvah.

You are ordered to cover yourselves as according to the book of Wisdom of Al-Sirach. The Laws of woman, and system of your governments is the sam

as that which is found in the Book of Wisdom Al Sirach. Excluding the requirement of having to cover you're faces, and that of circumcision of you're sons. Amen Amen, Ve Amen."
