

Chabad Lubavitch HQ
DEPT of Urban Relief

13 NOV 25

In the Name of Jehovah, Most Beneficent, Most Merciful:

To all whom read this; Peace be unto you,

All able bodied personnel with combat medical, medical, Logistical, Intelligence, or force protection related experience Jewish or Non-Jewish are requested to apply for assignment to the appropriate Chabad that the mercy and joy of mercy might be delivered unto the most vulnerable of our communities in which we as Yidden have come to know as home..

My Father the Rebbe Schneerson informed you all that you are an Army of Jehovah. The duty of an army is providing security and relief to its surrounding populations. That the Goyim might learn by our example; Selflessness, Duty, Honor, and integrity. The names of every corner stones four corners of which we see when we look down upon them.

I call upon you brothers to aid me in organizing this division of urban relief within Chabad HQ. That the peoples of NYC and that of the world may come to know the feeling of their Lord's cooling wind of Jehovahs love and mercy upon their faces in the form of her chosen peoples mending the wounds physically and spiritually of her creations.

I carry only the message, and the vehement fire of Jehovah within my heart and soul to see Darkness, Illness, and Pain eradicated from the Earth.

I am only authorized to work with you should you be of those who lower you're chins in Teshuvah with me, prostrate to Jehovah next to me as you're fathers did with me upon Mt. Sinai afore time. That you children of Israel might be a humble few in supply me the tools that we may indeed in the name of our creators glory finish the Job.

Respectfully,

Rabbi M. Obadiah
