

# TAKE CONTROL OF YOUR CAREER WEBINAR SERIES

## Associates – Take Control of Your Legal Career

Right now, you're working 70-hour weeks to hit your annual billables. It's necessary—but it's not enough. The path to partnership isn't just about doing excellent work; it's about building your own book of business. Unfortunately, most firms don't start teaching business development until later—by then, it's too late.

These webinars are designed to give you a head start, open your eyes to the skills and tools needed to get to the next phase. These are short 30-45 minute sessions, designed to enlighten.
