

Hole-in-One Canada has brought a new dimension to our charity tournament offering up more excitement on the golf course with extra prizes for incentives. An amazing team to work with and positive feedback from the golfers on their hospitality!!

“John and his crew add a unique touch to any tournament. They do everything from hole set up, take down but the best attribute is the fun and professionalism they bring to the sponsored hole. They really engage the golfers and truly hope each player wins a prize. They are a pleasure to work with from start to finish.”

On behalf of myself and the other committee members over the years thank you to Hole-In-One Canada for providing such a great turnkey service for our tournament.

John, a great day today and thank you for your company at the hole and especially going the extra effort, meeting Murray's demands for a car. No doubt about it sir, going that extra mile has definitely assured you of his business next year...

Hi John,

Yes that sure was exciting yesterday and we had a fabulous day for a Hole in One!

You did an awesome job. Everyone had great things to say about you and the hole. Please follow up with me again next year!
