In support of

Big Brothers and Big Sisters | [Jack.org](https://www.jack.org)

During the past 29 years, with the generous support of our participants and sponsors, we have been able to raise over \$2,793,000 for local children's charities within the Greater Toronto Area.

This year we are continuing the tradition and are proud to bring to you the CIBC Real Estate Charity Golf Open which will be supporting the following charities:

Big Brothers and Big Sisters is committed to making a positive difference in the lives of our nation's youth by developing and implementing a wide range of mentoring programs so that every child has an opportunity to reach his or her full potential, both as individuals and citizens.

Jack.org is an organization whose mission is to train and empower a national network of young leaders to revolutionize mental health and to leverage this network for systems-level change. Volunteers are working to ensure that young people are comfortable talking about their mental health and are learning how to support one another, so that those who need help get the support they deserve.
