

Spirit Circle

A Spirit Circle is a gathering of people with the intention of inviting their Spirit Guides, Ancestors, Spirit Loved Ones; those in Spirit who love them unconditionally and want for their greatest and highest good to join the circle. It is also an opportunity for each person to connect with their own Spirit/Higher Self.

PROCESS:

We will begin the circle with a prayer of protection and love.

I will provide a guided meditation. We will sit in dark room.

During the Spirit Circle, depending on how I am guided by Spirit, we may chant, drum, or listen to music for the purpose of entrainment.

PURPOSE

To connect with your higher self; you spirit.

To communicate with Spirit guides, Spirit Loved Ones.

To amplify your 6th senses: inner vision, inner hearing, inner knowing.

YOUR ROLE

As the participant, you will leave fear, negativity at the door. You will bring in love, trust, openness, and healthy skepticism.

MY ROLE

As the facilitator, I will create a safe and loving space where we can explore the world of Spirit together. I have studied, then taught Psychic Development; Spirit Communication; Energy Healing, Meditation and Trance Mediumship. I have led many Spirit communication circles over the past 25+ years.
