

## June 2020 Issue

**As we welcome the warm summer weather this is a great time to get out and enjoy – go out for walks, have a picnic. Whatever is your favorite thing to do in the warm weather. With everyone being sheltered in their homes for months this will be a much-needed change.**

**The Hero Mobile in May started out on a new Tour from the State of GA American Legion to The Veterans Building in the mountains of Blood Mountain... so beautiful but a little daring**

The material in this packet was created to equip US Armed Forces with the Sword of the Spirit and it may be a blessing and encouragement to you. As we travel, we hand these out.

This tour has led me right back to Dale who is a Vietnam Veteran. Dale and I met in Kentucky and 8 months later we ran into each other in Florida and I told him when I get to Blairsville, Georgia I will look him up. Yesterday I was honored to spend an entire afternoon with him sharing his stories

This woman to my right... I have the utmost RESPECT!

She has been through what no parent should ever have to endure.

Michele visits the Commanders and the Adjutants doing great things here for the states of Georgia and South Carolina American Legions.

We end with prayer for every man and woman that are protecting and serving our communities:

Father keep our first responders safe in every situation. Give Your angels charge concerning them, to guard them in all their ways. Show Yourself strong on their behalf and be their refuge and fortress in times of danger. Hide them in the shadow of Your wings and cover them with your feathers; let Your faithfulness be their shield and rampart.
