ABOUT UNION

Inspired by planning my own wedding, I'm passionate about helping couples create the perfect start to their beautiful **UNION** !

After fully planning my own wedding, I felt like I was grieving not getting to work on my spreadsheets everyday. Turns out, that's not how a majority of brides feel, so I took that feeling and ran with it!

I began as an assistant coordinator nearly three years ago, then transitioned to serving as a lead coordinator, eventually taking on a full-time job as a venue coordinator, a venue I'm lucky enough to be at on the other side of things now! I ventured out on my own to continue pursuing a deeper connection with my couples and being their go-to for every aspect of wedding planning.
