Description: Holds onto the pot handle while you stir the contents. Constructed of aluminum with rubber suction cups. Easy storage, folds up when not in use. For use by the one-handed cook.

EASY POUR LOCKING LID POT

Cost: \$26.95 at Walmart

Description: Makes perfect pasta and vegetables in 1 easy step. Stainless steel. Drain holes in lid allow steam to escape. Lock-on tabs keep lid tight and prevent food and hot water from spilling over. 3 Qt. Size.

REACHER

Cost: \$18.31 from Amazon
made by Sammons Preston

Description: Reacher is ideal for those users with weakened strength to help when lifting or reaching for small objects.

HEAT RESISTANT SILICONE GLOVE

Cost: \$14.95 from MaxiAids
made by Reizen

Description: Heat-resistant cooking glove with non-slip heart-shaped design. Protect your hand from heat up to 425 degrees Fahrenheit. Safely hold hot pans, pots, dishes, and plates. Provides a secure five-finger grip-- a great alternative to regular oven mitts. Silicone glove is one size fits most, waterproof and dishwasher safe.

SAMMONS PRESTON POUR THING

Cost: \$38/half gallon

\$46.51/one gallon

Available on Amazon

Description: Pouring aid for jugs of liquid. Just tilt the spout to pour liquid into a glass then release to return it to a standing position.

ASSISTIVE TABLEWARE SET

Cost: \$110.00 on Amazon by Sha Design

Description: 8-piece assistive tableware set integrates over 20 features to help make the process of eating simple and comfortable. EATWELL is an assistive tableware set for people with special needs. Its universal, user-centric design can benefit those with cognitive, motor, and physical impairments.

Brightly colored exteriors paired with solid, high contrast interior finish help stimulate interest while reducing visual confusion with particles of foods. Several features that provide extra stability and support. Equipped with anti-slip material. Microwave and dishwasher safe.

LIFTWARE STEADY STARTER KIT

Cost: \$195.00 by Verily

Description: The stabilizing handle is designed to counteract the effects of tremors and shaky hands that may be related to conditions like Parkinson's or essential tremor. The handle has built-in sensors, a computer, and motors. Comes with soup spoon attachment, stabilizing handle, charging system, and travel pouch.

LIFTWARE LEVEL STARTER KIT

Cost: \$195.00 by Verily

Description: Kit includes the leveling handle and the soup spoon attachment. The leveling handle is designed to accommodate limited hand and arm mobility that may be related to conditions like spinal cord injury, cerebral palsy, Parkinson's disease, or post-stroke deficits. The handle has built-in sensors, a computer, and motors. The soup spoon attachment connects to the stabilizing handle and holds about 1 tablespoon of liquid. Compatible with the fork attachment.

MOTION SENSOR TRASH CANS

Cost: Starting at \$93.45 for set of two, 3 gallon and 13-gallon size on Amazon.

Description: Water resistant infrared motion sensor trash cans. Delay sensing technology preserves battery life and prevents any unnecessary opening from pets, children, or walking by. Touch-Free motion sensor lid seals in odors and eliminates cross-contamination of germs. Use any standard trash bags. Type 430 Stainless Steel (fingerprint resistant). Soft close lid comes with an open/close button as well.

ECHO SHOW 10 3RD GEN

Cost: \$249.99 on Amazon

Description: The Amazon Echo Show 10 3rd Gen Smart Display features a 10.1" HD screen that's designed to move with you so that video calls and shows are always in view. The speaker delivers premium, directional sound; just ask Alexa to play your favorite shows, music, recipe, set timers/reminders, etc.
