

## Consignment Agreement

Agreement made this day of **October 28, 2025** by and between (Consignor)  
**Store Account** and Customer (Consignee)  
**For You Consignment** of 347 Clarence St  
London, N6A3M4

From this point forward, you hereby agree to the following terms and conditions:

- 1) To help sell your items, please make sure they look great and are in good condition. For clothes, they should be clean and smell nice, ready to sell right away. If some items don't meet these guidelines, we might not be able to accept from you in the future. Also, to keep things safe and healthy, anything that doesn't follow our rules will be donated without us going through it first.
- 2) Our team has the right to say no to any items they feel won't sell. They look at things like the brand, style, size, condition, how popular it is, how much we already have, and how similar items have done in the past.
- 3) We will set the price for the items we sell, and they'll stay in our store for at least 60 days. During that time, you'll earn 35% of the final selling price, not including taxes.
- 4) Any items you bring to us will stay for the entire selling time, and the money you earn will go into an account you can access when we're open. We can't guarantee that everything will sell, and we won't return items that don't sell.
- 5) We won't be responsible for any theft or damage to your items while they're with us.
- 6) If your account shows zero items, we'll send you an updated balance by email. This balance will be kept for 90 days. If you bring in more items before those 90 days are up, the time will start over.
- 7) We only communicate through email, so it's important for you to provide a working email address. If you don't, we can't take responsibility for any lost items or money.
- 8) We can take pictures of the items you send us to help share them with potential buyers by email or on social media.

I have read and agree to the terms and conditions of this contract. I also understand that herein forth I will be referred to by my consignor # \_\_\_\_\_.
