# Nonirritant

Effective against  
viruses!

**Broad Spectrum Disinfectant Cleaner** Represents the next generation of plant-based disinfection for professional restoration contractors. The unique, proprietary solution is botanically-derived and offers significant advantages over existing botanical solutions on the market. Provides superior cleaning so users don't have to resort to two separate products for disinfection and cleaning. And contractors and their customers won't have to contend with the irritating, lingering fumes that are associated with first-generation botanical formulas.

# Versatile

A friendly reminder  
to stay safe!

**Social Distancing Message Mats** Low-profile mats help promote a safe environment through social distancing and a friendly reminder of awareness where placed. Unlike vinyl decals or taped down messages, mats are easily repositioned to any location where safety messages are needed. Extra weight construction stays down without the need of adhesives that can leave residue on the floor. For indoor and outdoor use; ideal for entrances, restrooms, or anywhere a reminder is needed. Easy to clean: simply shake, sweep, vacuum, or dust off.
