

# The Storyteller's Treehouse

Worksheet Title:

# Build Your Character Tree!

## Instructions:

Every story needs a hero (or a villain... or a very funny talking turtle)!  
Use this tree to grow your character from the ground up. Start with a strong root (their main trait), add some branches (details about their life), and let your imagination bloom!  
You can draw pictures on the branches too if you want! 🎨
