

# Poetry with Your Eyes & Heart

Free Verse Imagery

***Welcome to your very own Poetry Playground!***

***This kit is made just for YOU — a young poet with a wild imagination, a big heart, and something to say.***

***Poems don't have to rhyme. They don't even need to follow rules. In fact, some of the best poems start with a picture, a feeling, or a single word!***

***In this kit, you'll find colorful images, fun themes, and space to write what YOU see, feel, or imagine. You can even draw your feelings or doodle your own poem pictures!***

***There's no wrong way to write a poem — just be honest, be curious, and most of all... have fun!***

***Ready to explore with your eyes and write from your heart?***

***Let's go!***
