

## Prompt of the Week Practice Sheet

### The Shape of Silence

Prompt: Write a poem about silence.

Is it peaceful, lonely, powerful, or uncomfortable? Explore the shape, the sound, and the emotion of silence using imagery and emotion.

#### Brainstorm:

- What does silence feel like?
- Where have you experienced silence?
- Is silence empty... or full?
- What happens in the quiet that doesn't happen in the noise?

#### Optional Starter:

*"Silence wrapped itself around me..."*

Now write your poem below:
