Re: Probate Bond

Principal: _____

Estate of: _____

Bond Amount: \$ _____

Please be advised that I will not file the above bond with the Court until I have secured a signed application from my client, and a check for the first year's premium in the amount of \$ _____.

Additionally, I have explained to the principal that an anniversary premium will be due every year and agree to assist in forwarding future anniversary premiums to your office, when necessary, until all of the assets are distributed, liabilities and taxes are paid, and the proper releases have been filed with your office.

Also, our law firm will stay involved with this estate until it is concluded or if discharged as attorney of record by named principal. If for any reason we are discharged as the attorney of record, we will immediately notify _____ and/or Surety company.

Very truly yours,

By: _____
