WEDDING BROCHURE

YOUR BIG DAY

Firstly, may we congratulate you on your engagement! We are thrilled that you're considering booking us for your wedding decor. We are here to ensure that everything is as you've envisioned. It is YOUR big day, after all!

WHY STORYBOOK EVENTS?

Storybook Events began in 2020 but don't let that fool you - we've helped numerous couples plan and decorate their big day! We have a combined experience in the industry of over 20 years and we pride ourselves on our professional but friendly manner. We will do everything within our power to ensure that your big day is perfect.

After working in this industry for a number of years, one thing we've learnt is that weddings can be expensive - but they don't need to be! Our prices are competitive and affordable for this reason. We believe that everyone should have the wedding they've been dreaming of regardless of their budget! If you have something in mind and we don't currently stock it then we will always try our hardest to get our hands on it. We are constantly expanding and will work closely with you to give you the storybook ending you deserve.

WHAT WE DO

We are venue stylists who specialise in wedding decor in Newbury and surrounding areas. All of our prices include delivery, set up, full day hire, dismantling and collection. So all you need to do is tell us exactly what you want - if you are unsure then we can work with you to come to a decision - and then show up on the day!

Initial consultations are always important as that helps us to get to know you as a couple and understand the type of decor you are looking for. We can also help to organise evening entertainment (DJ, dancefloor etc.) if you need pointing in the right direction!

WEDDING PACKAGES

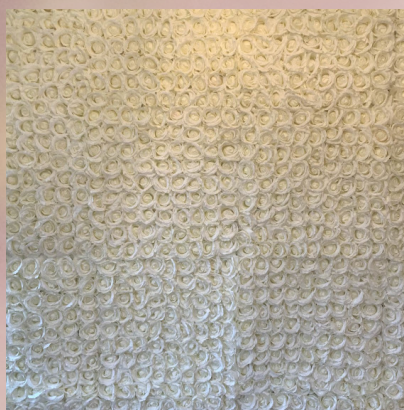

<p>We are more than happy to work with you to create a tailor made package encompassing everything you would like for your big day. We offer discounted rates for multiple items booked and will ensure a personalised package.</p>
