## ARENA RULES

-  You must sign a current year liability waiver in order to utilize the building.
-  **PUBLIC CRATING:** Please keep the crates clean and take everything with you after your training session.
-  You may move equipment (except the dogwalk and A frame) during open and reserved ring time unless there's a note on the door that a course has been set. If you get equipment out that is not on the floor when you arrive, please put it back where you found it.
-  You may open doors and use the free-standing fans. If you do so, please close the doors before you leave and make sure the fans are turned off. You will not have access to control the ceiling fans.
-  Be aware of what your dog is doing at all times. Put them away if you are building a course and cannot keep an eye on them. Yes they do pee and poop in the building when you're not watching them 😞
-  Clean up after your dog if they make any messes. The clean-up bucket can be found on the whiteboard cart.
-  Please don't leave treats, wrappers, empty bottles etc. lying around. Dispose of all of your trash, garbage can is in the crate room.
-  Be Courteous to others.
-  This is a **POSITIVE** training environment. Be nice to your dog. Give them lots of treats and toys and have fun!
