

Joining Arizona Model Pilots Society

If you are interested in joining AMPS please go to our web site www.ampsrc.com and click on the **Join AMPS** on the title bar to download the application for completion, payment and AMPS flying rules.

1. New members pay \$225.00. After which renewing members pay \$100.00 in annual dues. Annual dues are due November 1st of each year and are considered late after January 31st.
2. New members joining AMPS after September 1, pay \$225.00. Covering the following year and receive a paid-up status for any days remaining in the current year in which they join
3. AMPS Family Plan waves youth membership under 19 years of age where parent, grandparent or legal guardian is an AMPS paid member in good standing. Youth AMPS members must have a Youth Membership from the AMA and complete a required separate AMPS application form.
4. Youth membership is available to any current youth AMA member under the age of 19 for \$10.00 annual dues. A legal guardian must be with youth member while flying at the AMPS facility until 16 years of age for supervision. A completed AMPS application form is required

If you are considering becoming an R/C pilot or you are a seasoned pilot please contact one of our flight instructors for free club flight lessons or a required check-out ride with club orientation prior to flying.

Thinking About Flying RC Model Aircraft?

Arizona Model Pilots Society
An AMA Chartered Flying Club

Come Fly With Us!

www.ampsrc.com

AMPS a Concessionaire of Maricopa County at Adobe Dam Regional Park.

Getting Started in RC

Flying RC model aircraft is an exciting hobby providing pilots of all ages the opportunity to share their interest in aviation with a community of fellow modelers from all walks of life.

AMPS is a AMA chartered model aviation club allowing you to enjoy the following benefits:

- Full Use of an AMA sanctioned flying field
- Easy access to instructor pilots who will help you to learn to fly your model for no charge
- Experienced modelers to offer aid and advice on building, assembling and safely flying your model.
- We have Fun-Fly events, cookouts and full restroom facilities

AMPS Contacts to Help You Get Started

We'd be happy to speak with you!
