Correia Association provides fundraising and volunteer support such as:

After School Enrichment

PE Equipment

Campus Beautification

ASB

School of Friends

Science Consumables

Student Planners

Correia Commons

Surf Club

Correia Music

Student Lounge

Dear Friends of Correia Middle School,

On Friday, April 25th, 2020, the Correia Association, a 501(c)3 CA Non-profit, will host **Casino de Monte Carlo**, the 6th Annual Casino Night & Auction to benefit Correia Middle School. Correia Middle is a diverse public school in the Point Loma area of San Diego, which serves both 7th and 8th grades.

Established in 1998, the Correia Association provides supplies and volunteer support to enhance students' middle school experience each academic year. These ongoing needs are met through the generosity of parents and other community members who generously donate to the Correia Association.

We hope that businesses and friends like you can support our fundraising efforts with donations of auction items as well as event sponsorships and underwriting to raise money for academic enrichments and related needs that will benefit Correia students and future generations.

Please use the enclosed forms or call one of our dedicated volunteers to make your generous gift to Correia Middle School today. Please try to get your donations or sponsorship information to us before April 20, 2020 in order to receive proper recognition on our website and at our event.

The support of businesses like yours help to provide programs and campus improvements that the San Diego Unified School District cannot fund. Please join our effort to provide the children of Correia Middle School with funds needed to enhance and enrich their educational experience.

Warm regards,

Shannon Rosier
Correia Casino Night & Auction Chair
