

Last season (2019) I had the most wonderful experience of going on horseback with Deb into the Yukon mountains. I cannot say enough about the beauty and peace I found there.

Deb was an incredible guide, knowledgeable and super competent. I learned a lot about my surroundings and horsemanship tho I never got my knots right! The horses where well trained and Deb's equipment was top notch. I would recommend a trip with her anytime and am looking forward to my next one!
