To Whom It May Concern,

I've known Deb Wild for more than 17 years. If there is one person that I would want to be in the back country with, it would Her.

Her knowledge of horses and the bush is more than could be taught and shown in a 7 day pack trip!

The real life stories will be endless; like her energy.

If you do get the chance I would highly recommend any horse or pack trip with Deb.

Gary Burdess
