- *Schedule is subject to change due to weather and unforeseen circumstances.*
- *Field trips are optional; however, this is based on staff-to-child ratio. For safety concerns, there is a possibility that all children may be required to attend field trip, or a field trip may be cancelled. Unless cancelled, fees will still be applicable.*
- *We do visit local parks to provide space, fresh air, and Vitamin D for our campers based on numbers and weather: Pioneer Village at Shingle Creek and Oak St Community Park.*
