Due to regular practise, high efficiency, continuous skilled training and development, and use of better tools we finish the job much faster (thus less pay time) and much cleaner than your regular staff.

Some calculations for reference:

Hired Staff: Total Job time 5 Hrs Pay Rate: \$19/ per hour (assumed) Total cost: \$95.00
Plus Holiday Pay + Sick Leave

Contractors: Same Job time taken 3 Hrs Pay Rate: \$27.50 per hour; Total Cost: \$82.50
No Holiday Pay, No Sick Leave

These calculations are based on real time experience we had with other schools, childcare, Kindergartens or Gyms.

4. Making sure each and every day servicing quality is great!!

We use different method and techniques to ensure a high quality service standard is maintained. For examples:

Breaking the monotony: We periodically change our staff from one site to another. This helps us to break their monotony at work and thus get better outputs.

Uniqueness and Speciality: We do weekly once to twice site inspection. Our unmatched quality inspection frequency has gained us a renowned name in the market.
