KM Dass Cleaning Service Ltd

Overview

- We are 100% New Zealand Owned and Operated.
- KM Dass operates via Direct Cleaners (No Franchisee or Sub Contractor Model)
- Our Team has over 50+ Staff Members working all over the country
- Our team members are locals from your community, well trained and experienced professionals.
- We understand our client's needs, we offer tailored solutions based on your business requirements, whatever you envision we make it deliver for you.

Our Aim and Focus

We solely focus on high-quality service. Our cleaners provide excellent service every day. Quality Service has been the main mantra/ focus since our inception.

Our Digital Tracking and Frequent Site Inspection systems are unparalleled and unmatched by any other commercial cleaning company around.

KM Dass deeply understands the client's businesses. And helping them to grow not only by

- providing consistently high-quality service but also by reducing plastic or rubbish waste,
- providing cost-effective solutions that add up in business costs.

What do we do?

- We provide customised commercial cleaning solutions for our clients Nationwide.
- We offer bespoke manpower solutions for Well Known Cleaning and Building Companies in the industry.
- Our Services are of
 - high quality,
 - reliable,
 - flexible,

Why do we do it?

- We provide meaningful jobs where our staff/ cleaners feels valued, motivated, recognized as individuals, and their work impacts our client's daily business operations.

Why do we use direct cleaners?

- So that we can pay our cleaners more, give them standard hours to do the job. And, our client gets the value and standard service that they pay for.

How are we different from others?

- Our dedication towards our client
- Our unparalleled inspection schedules
- Our unmatched customer service (24/7), we are just a phone call away.
- Our Large size manpower ensures there is No Service Gaps

Digital Tracking System

- We have a digital tracking system that helps us to monitor our cleaner time in and time out at your site.

Physical Inspection System

- We have a weekly inspection system in place that helps us to track the service quality at your site.

Our Track Record

- Since our inception in 2016, we have a 80% client retention ratio. We have hardly lost any contract for poor workmanship.

Our Business Theory

- We only believe in Long Term Client relationships. Therefore, we choose to grow gradually making sure all our clients are serviced with the same high standards every day since the starting of the contract.

How can we impact your Business/ Institution?

- A clean work environment will leave a great impression on any customer.
- The image of cleanliness will be sown into your customer's mind
- A hygienic clean and healthy environment reduces diseases, absenteeism and makes your workplaces a better place for your staff/ Children/ Students' productivity.
- Clean and healthier workplaces change the working mindset of a human and make the person more efficient and productive

Our commitment to your Business

- We do not hold any of our clients under a Muti Year contract.
- Each Year End, we have service Review and Renewal meetings.
- We do so because we believe in our system and processes.
- We do so because we believe in our staff training and development process.
- We do so because we have confidence in our ability and dedication towards our clients.

Our Team

Our team is well trained and have good experience in the industry.

KM Dass understands that different clients will have specific needs; hence, we customize our services accordingly. KM Dass undertakes a professional approach in all our operations.

Whether you are a small business or a big organization we transform your area in an immaculately clean, hygienic, and sanitized workplaces.
