Turner's Message

Greetings all,

With a busy July behind us, we're easing into a more subdued August.

The only events we have this month are the Senior Bingo on August 11 and Lunch and Learn on August 19. This month our Lunch and Learn will feature a presentation by Pamela Edwards with TX A&M Agrilife Extension Svc. She will be discussing the Silver and Safe Senior Driving Program and providing some tips to keep you and your loved ones safe on the road. Don't forget to register if you plan on attending.

Thank you to all who assisted with our first ever blood drive. According to the South TX Blood and Tissue Center we were able to collect 67 units which has the potential of helping 192 patients. Some of the blood collected has already been sent to patients in need.

National Night Out 2026 planning is in full swing. We've already had a lot of interest in the kickoff party. If you know any businesses or organizations who would like to have an info booth at the event, please send them our way. Also, if you or your neighbors are interested in hosting a NNO party in your neighborhood, let us know.

Thanks for all you do and stay cool,

John Turner

President's Message

Hello to everyone!

How honored VCPAAA was to have been asked to assist with food service at the memoriam for our dear friend, and great supporter, Brother Gary Moses. He was indeed a ray of sunshine no matter where he was, a true statesman with a gentle heart!

When life gives you a hundred reasons to cry, Gary always showed a hundred reasons to smile and laugh. Gary's philosophy was tell me and I forget, teach me and I remember and involve me and I learn-true words as spoken by Benjamin Franklin! We will all miss his inspiration, friendship and positive attitude. May he rest in peace!

DR. PHYLIS CANION, PRESIDENT
