

CAPABILITY STATEMENT

Our mission is to serve as an integral part of the success in the long-term goals of our clients by providing innovative problem-solving skills, full knowledge of emerging trends and technologies, and a sense of urgency to establish bonds of trust. In the spirit of trust and reliability that IPS builds, agencies are free to move forward in productivity with new missions, tasks, and assignments.

Innovative Planning Solutions (IPS) is a woman-owned management and consulting company based in Atlanta, GA. IPS is an organization comprised of highly-skilled and experienced professionals who are among the best in their fields. We pride ourselves in bringing on individuals who are experts in their professional areas and maintain the highest ethical standards.

Our team includes numerous military veterans, professionals whose careers have bridged both the government and private sectors, and subject matter experts across a wide variety of industries.

We provide professional services, management and technology consulting, information technology, professional and health/medical support services to the federal government and Department of Defense. We are skilled at providing full program management and turnkey solutions, or we can provide staff to be a part of an existing team.
