With over 40 years of research validation, Prepare/Enrich has proven itself to be the most trusted, comprehensive relationship assessment for couples at any stage of life.

As a Prepare/Enrich Trainer, I can help you become a Certified Facilitator of the most trusted relationship assessment, so you can start showing couples the work that is crucial for growth within their unique relationship. Because your couples deserve a method that's proven, and you deserve an assessment that lives up to your standards.

The dynamic assessment uncovers the specific strength and growth areas unique to each couple. With the help of their Facilitator, couples build on their strengths giving them the confidence to work on their specific growth areas. What makes Prepare/Enrich unique? Here are some key features:

- Suitable for couples in all phases and stages of life
- Customizes to each couple, making it dynamic and in depth
- Proven effectiveness and accuracy, with incredibly high levels of alpha reliability and validity
- Highlights strengths and uncovers opportunities for growth by measuring agreement and satisfaction across core and customized relationship topics

What does Prepare/Enrich assess?

- The couple's alignment on core areas such as communication and conflict resolution, as well as topics customized to their relationship phase and context
- The impact of family of origin experiences on each partner's perception of the couple relationship
- Positive/negative feedback cycles affecting the relationship
- Which relationship areas to focus on and which to build upon
- Stress level of each partner
- Key personality similarities and differences
