

Southern Produce Processors Inc.

Fresh Cut Fruit & Vegetable Specialties

Established in 1993, Southern Produce has proudly supplied top-quality fresh cut fruits and vegetables for over 26 years. Based at the State Farmers Market in Columbia, SC, we specialize in providing washed and ready-to-eat specialty cut items.

Since November 2010, Southern Produce has operated from our cutting-edge processing facility, enabling us to deliver the freshest, food-safe produce products with enhanced efficiency. With regular inspections from the SDCA, USDA, and Department of Defense, we maintain a fully integrated HACCP plan, are Primus 3rd party certified, conduct rigorous environmental testing, and third-party product sampling programs. Rest assured, as an approved vendor, we prioritize your safety and deliver exceptional produce.
