PRODUCT CATALOG

About the Company:

Universal Seed and Agri Corporation, Pakistan is a registered leading business enterprise which deals in natural products. The company deals in edible salt, spices and herbs used in food, cosmetics and medicines. The Chief Executive and founder of the company, Mr Wajid Rafique has a diverse 20 years experience of Agriculture sector in Pakistan.

The company has been working in spices and edible salt business since 1990. From last 2 years, it has venture into exports also. The company has been engaged in exporting herbs (Henna, Neem Oil, Black Seed Oil, Amla and Moringa) to a cosmetic company in USA and Himalayan Rock Salt (table salt) to many international companies in Brazil and other countries. Export volume of company is greater than PKR 15 Million every year.

Being manufacturers we offer unbeatable prices with top quality products and excellent packaging services. Our purpose built factory is well equipped with latest machines and highly skilled workers to produce high end products. Export shipments are made with bulk packaging (25-10 Kg) and consumer packaging of 1 Kg, 500 grams, 250 grams, 120 grams, etc.

High quality, timely delivery, low profit margin and innovation are prime objectives of our company. All orders are shipped within 20-25 days after the placement of order. All the shipments are moved after the complete documentation duly issued by regulatory authorities and Pakistan Council of Scientific and Industrial Research (PCSIR).
