

BAKE AT HOME CHOCOLATE CHIP COOKIES

PRE-HEAT YOUR OVEN TO 350 F. WE PREFER TO BAKE THE COOKIES AT A REFRIGERATED TEMPERATURE, AS THERE IS NO NEED TO BRING THE COOKIE DOUGH TO ROOM TEMPERATURE. PLACE THE COOKIES ON A BAKING SHEET, GIVING THEM SPACE TO SPREAD. BAKE AT 350F FOR 10-12 MINUTES DEPENDING ON YOUR OVEN. WE DO USE PARCHMENT PAPER TO BAKE OUR COOKIES.

NOTE: IF YOU ARE BAKING THE COOKIES IN A CONVECTION OVEN, CONSIDER BAKING YOUR COOKIES AT 325F INSTEAD OF 350F, AS CONVECTION OVENS TEND TO RUN 25 DEGREES HIGHER.
