27-02-2025	Clerical Errors Will Not Invalidate Reassessment: Substance Over Form Prevails- Monish Gajapati Raju Pusapati v. Assessment Unit Income-tax Department	<p>Facts: AO issued a notice u/s 148 of the IT Act, seeking to reopen the petitioners assessment. However, annexure attached to the notice contained information related to a different assessee, leading to confusion. The petitioner challenged the validity of the notice, arguing that the incorrect annexure made the reassessment proceedings defective and legally unsustainable. AO dismissed the petitioners objections without addressing the issue of the incorrect annexure. As a result, petitioner filed a writ petition before Delhi HC, seeking relief.</p> <p>Decision: The Delhi HC held that the presence of an incorrect annexure was a procedural error and did not render the reassessment notice invalid, as long as the core intent of reopening the assessment was clear. The Court found that the AO had failed to properly consider the petitioners objections and, therefore, set aside the rejection order. AO was directed to correct annexure and provide petitioner with fresh opportunity.</p>	W.P.(C) No. 2043 of 2025 CM APPL. Nos. 9611 & 9612 of 2025
24-02-2025	Interest on Delayed Tax Refund under DTVSV Scheme: Court Awards 6% pa interest- Sahil Total Infratech (P.) Ltd. v. Assistant Commissioner of Income-tax	<p>Facts: The assessee opted for the DTVSV Scheme, 2020, and the tax refund was approved on 12-05-2022 but was not credited timely. The assessee raised multiple grievances, but the refund of Rs. 2.20 crores was only credited on 25-01-2024, nearly two years later. The revenue argued that the delay was due to the assessee's failure to validate the bank account, while the assessee claimed entitlement to interest on the delayed refund.</p> <p>Decision: The assessee is entitled to interest on the delayed refund despite not qualifying u/s 244A of the</p>	R/SPECIAL CIVIL APPLICATION NO. 20804 of 2023

		Income-tax Act, 1961. The interest was fixed at 6% per annum for the delay period (01-06-2022 to 31-01-2024), citing equitable principles. The revenue was directed to pay Rs. 22.04 lakhs in interest within three months from the orders receipt.	
19-02-2025	GST Assessment Order Without DIN Held Invalid by Andhra Pradesh HC- Challa Infra Projects (P.) Ltd. v. Assistant Commissioner State Tax	<p>Facts: The petitioner received an assessment order dated 18.07.2023 for the period April 2021 to March 2022, but it did not include a DIN, which is mandatory under GST rules. The petitioner filed a writ petition before the Andhra Pradesh HC, arguing that the absence of a DIN made the order invalid. The Government Pleader confirmed that the impugned assessment order did not contain a DIN.</p> <p>Decision: The court ruled that any order issued without a DIN is legally non-est (invalid), relying on the SCs judgment in Pradeep Goyal v. Union of India (2022). Since the order violated CBIC Circular No. 128/47/2019-GST, the court quashed it as legally unenforceable. The authorities were given permission to conduct a new assessment, ensuring compliance with legal requirements, including the assignment of a DIN.</p>	WRIT PETITION NO: 4524 of 2025
19-02-2025	Delhi HC Sets Aside Notice Under Section 148A(b) Due to Insufficient Response Time- Anuj Ghuliani v. Income-tax Officer	<p>Facts: The AO issued a notice u/s 148A(b) on 21-08-2024, granting only five days to respond instead of the required seven days. The assessee submitted a reply on 27-08-2024 via email as the portal did not allow filing after five days, but the AO ignored it and proceeded to issue a notice u/s 148 on 31-08-2024. The assessee filed a writ petition, arguing that the shorter response time violated Section 148A(b) and the principles of natural justice.</p> <p>Decision: The Revenue conceded that the assessee should be given another opportunity to respond. The court set aside the impugned order and notice and directed the AO to consider the assessee's reply submitted on 27-08-2024. The AO must pass a fresh order within four weeks, and if issuing a new Section 148 notice, must obtain fresh approval from the Chief Commissioner of Income Tax.</p>	W.P.(C) 2167 of 2025 CM AP PL.Nos.10263 & 10264 of 2025
19-02-2025	Marginal Delay Not a Bar: Calcutta HC Allows GST Appeal to be Heard on Merits- Bina Medico v. State of West Bengal	<p>Facts: Bina Medicos appeal against a CGST demand order was delayed by 8 days, and a condonation request was filed along with the required pre-deposit. The appellate authority issued an SCN, but the petitioner did not respond, leading to a rejection of the appeal. The petitioner approached the Calcutta HC, arguing that the explanation of the delay was overlooked.</p> <p>Decision: The marginal delay of 8 days and the provided explanation were not properly considered by the appellate authority. Since the GST Appellate Tribunal was not constituted, the petitioner had no alternative appellate remedy. The court set aside the appellate order and remanded the case for a fresh</p>	WPA 31064 of 2024

18-02-2025	GST Demand Order Quashed Due to Lack of Personal Hearing- Jain Distributors v. State of U.P.	<p>Facts: The assessee was subjected to a demand order issued u/s 73 of the GST Act without being afforded a fair opportunity for a personal hearing. The official notice served to the assessee explicitly mentioned N.A. in the column designated for the date of the personal hearing, indicating that no such hearing was scheduled. Aggrieved by this procedural lapse, the assessee challenged the validity of the order.</p> <p>Decision: The court ruled that the provisions of Section 75(4) of the GST Act impose a mandatory obligation on the authorities to grant an opportunity for a personal hearing before confirming a tax demand. Given that no such opportunity was provided to the assessee, the court found the impugned order to be procedurally defective and legally unsustainable, leading to its annulment. Consequently, the court directed that the matter be remanded to the appropriate authorities for fresh adjudication.</p>	WRIT TAX No. - 83 of 2025
18-02-2025	HC Rules Against Reopening of Assessment Based on Mere Opinion Change- Lupin Ltd. v. Deputy Commissioner of Income-tax-3(4)	<p>Facts: Lupin Ltd. had availed tax deductions u/s 35AC and 80G of the IT Act, which were duly examined and approved by the AO during the original assessment proceedings u/s 143(3). Subsequently, the AO issued a notice u/s 148, asserting that the deductions claimed for CSR expenses were incorrectly allowed, resulting in an underassessment of income.</p> <p>Decision: The Bombay HC held that the reassessment proceedings were invalid as they were initiated without the emergence of new tangible material warranting a reassessment. Since the AO had already examined and accepted the deductions during the original assessment, reopening the case on the same grounds amounted to an impermissible change of opinion, which is not permissible under tax law. The court set aside the reassessment notice.</p>	WRIT PETITION NO. 1530 OF 2022
18-02-2025	Voluntary Penalty Payment Ends Proceedings, No Mandate for Form GST MOV-09 Issuance- Khanna Engineering v. Commissioner of CT & GST	<p>Facts: The petitioner's truck, transporting a consignment, was detained, and a notice was issued u/s 129(3) of the OGST Act, 2017. Due to the urgency in completing the consignment, the petitioner voluntarily paid a penalty of Rs. 5,37,656 on the same day and secured the release of the detained vehicle. Subsequently, the petitioner filed a writ petition, contending that since no formal order in Form GST MOV-09 was issued within statutorily prescribed seven-days, proceedings were irregular.</p> <p>Decision: The court noted that the penalty amount was determined in Form GST MOV-07, which the petitioner acknowledged and promptly paid, leading to the immediate release of the truck. By virtue of Section 129(5) of the OGST Act, the payment of the prescribed penalty automatically concluded all proceedings initiated u/s 129(3), rendering any further adjudication unnecessary. Consequently, the court dismissed the</p>	W.P.(C) No. 3055 of 2025

17-02-2025	SC Affirms Taxpayers Right to Appeal After Settlement Application Abatement- Principal Commissioner of Income-tax v. MD Industries (P.) Ltd.	<p>Facts: The assessee submitted an application for settlement, but the AO proceeded to pass an assessment order. The Commissioner of Income Tax (Appeals) dismissed the assessee's appeal as untenable, citing the pendency of the settlement application. Following the abatement of the settlement application, the assessee filed an appeal before the ITAT, which condoned the delay and remanded the matter for fresh adjudication on merits.</p> <p>Decision: The SC dismissed the SLP filed by the Revenue, thereby affirming the decisions of the ITAT and the HC. The Court held that the assessee retains the right to challenge the assessment order on merits if the settlement application is ultimately rejected. It was directed that the Commissioner (Appeals) must keep the appellate proceedings in abeyance until the Settlement Commission renders its decision.</p>	SLP (CIVIL) Diary No. 3153 of 2025
17-02-2025	GST Registration Cancellation Upheld Due to Non-Existent Business and Failure to Respond to SCN- Md. Firoz v. Assistant Commissioner, Bally Salkia	<p>Facts: The petitioner obtained GST registration for a business at Howrah. A Bureau of Investigation inquiry found that no business activities were conducted at the declared location. The SCN was issued, citing fraudulent misrepresentation. The petitioner failed to respond, leading to the cancellation of GST registration on 7th August 2023. The petitioner appealed u/s 107 of the CGST Act, but the appellate authority upheld the cancellation. He then filed a writ petition, arguing that relevant evidence was not properly considered.</p> <p>Decision: The petitioner did not contest the Bureau of Investigations report, which confirmed that the registered business did not exist at the stated location. The cancellation order was supported by valid evidence, and since the petitioner failed to respond or appear in the appeal process, the authorities' decision was deemed reasonable. The HC found no grounds to interfere and dismissed the petition without imposing costs.</p>	WPA 30825 of 2024
