

Ombre Powder Brows

AFTERCARE

WITHIN 24 HOURS:

- Brows may appear/oxidize darker, bolder, & slightly uneven
- Brows may appear warmer/redder
- Pat brows dry every 15-30 minutes
- Appearance of blood or lymph is normal & should be gently patted dry

AVOID FOR 2 WEEKS:

- No makeup, skincare, or products on brows
- No gym or hot saunas
- No direct sunlight, tanning, waxing, or threading
- No touching on brows with unclean fingers

OINTMENT APPLICATION:

- Please use q-tips provided & avoid using fingers
- You may begin applying ointment on day 4 & continue until brows are fully healed
- Apply ointment only if you notice your brows feel too dry or tight
- The amount of ointment applied should be about the size of a grain of rice
