Message from the President

The 2025 summer golf season has been spectacular with the Club tournaments in full swing. The San Diego County Women's Golf Association held our annual Championship at Fairbanks Ranch on a beautiful San Diego golf day. We had 95 players; the course was challenging and the food excellent. After lunch we presented the Championship trophies as well as the Team Play trophies.

I took this opportunity to update the audience on the 2026 Board of Director's nomination process and the value of volunteers. It was quite funny to watch reactions in the room; many people did their best to shrink down in their chairs to become invisible as possible. The GREAT NEWS is that all our 2025 Directors have agreed to return for the 2026 season. The association won't be holding the nomination process unless we have requests from our membership to be considered for a Board position.

I did ask for volunteers to understudy our Directors to support a healthy succession process. More GREAT NEWS, I received 2 volunteers to understudy Team Play and Calendar/Social, thank you both so much. We could use a few more to understudy volunteers for 2026 (Team Play Co-Director, Treasurer, Events and Media for example). It takes a village to put the events together and new people bring fresh ideas to the board as well. If you are interested in volunteering, but don't want to commit for a long period of time, we can always use event-based volunteers. For example, volunteering at the Roam from Home or the Championship would be WELCOME.

If you are interested in being an understudy or an event-based volunteer, please email me at scrawf@outlook.com and include which area you are interested in.

If you are interested in a 2026 Board of Director's position, please email me at scrawf@outlook.com and we will conduct the nomination process.

Enjoy the rest of summer and hit 'em long and straight.

2025 SDCWGA TEAM PLAY HIGHLIGHTS

By Kathy Kendric, Team Play Director

As we conclude the 2025 Team Play season, I want to extend my heartfelt thanks to all the incredible Team Captains and Co-Captains. This year presented many challenges, including the new team play changes, weather related rescheduling, and team member injuries. Each Captain handled these obstacles with professionalism, kindness and grace. Additionally, I want to thank the over 280 team members who participated in 80 matches this season for the hospitality they showed at their respective golf clubs. Thank you all for making this season truly pleasurable and exciting!

This season, with the new organization of the two groups and their two divisions based on the team's handicap averages, the competition was so tight that the Division winners were not decided until the very last games! In the end, we crowned new Champions in both the Gross and Net Divisions. Steele Canyon, with Anh-chi Furey's leadership as Team Captain, claimed the Gross Championship title, edging out a highly competitive El Camino County Club Team #1 in the finals. San Vicente, with Cathy Knowles' leadership as Team Captain, captured the Net Championship title, beating out Rancho Bernardo Team #1 in the final duel. Congratulations to all other winners within their Divisions, including Temecula Creek Inn Team #1, Links at Lakehouse, Admiral Baker and Coronado Team #2! Every team did a fantastic job!

With next season fast approaching, we look forward to hearing from you and making SDCWGA Team Play more exciting and fun! I'm excited for the year ahead, with many teams and Captains returning and ready for another great season. Thank you all!
