

HEAVY MACHINERY OPERATORS

Southern FibreCo is a division of Southern Haulage which conducts our Timber Harvesting operations focusing mainly on Pine Trees and hardwoods for renewable energy. We have recently seen a growth which us has seeking Machinery Operators to join our team based in Mount Barker, WA.

Position Description

These positions involve in-field operations in small teams and at times can be in remote locations. Our Heavy Machine Operators generally work from Monday to Friday with occasional weekend work required to meet quotas.

It is preferable for applicants to have experience in forestry as a machinery operator and have sound knowledge of forestry infield chipping equipment, however, on the job training is offered. All applicants must be competent, dependable and enthusiastic with a strong commitment to safety and quality.

It is essential that you hold a current C class drivers' licence, however, HR or higher is preferred. Applicants must have a clean record and perform to Southern Haulages operating standards. The work is interesting, challenging and work hours can be demanding, so above award pay is being offered.

If you are interested in the above-mentioned roles, please forward your resume, along with our Employment Application Form (which can be found on our website), through to Shanon in HR!

Kind regards,

Shanon Pavlovich
Human Resources/Payroll Officer
