

SYZEE

Merchant portal

- Log in to your page.
- Browse products, reviews, and follow up on purchase orders.
- Determine the appropriate time and day for you to prepare each order.
- An updated view for orders, requests, and sales all on one page.

ABOUT US :

Welcome to **SYZEE**, the region's online marketplace dedicated to present most significant fashion brands in Qatar and therefore the region.

The name **SYZEE** comes from our goal to seek out our shoppers perfect size in their special dresses and Abayas, in which fashion serves to ensure them the most effective experience to search and maintain the best look they desire.

Our committed team is always available to serve both our professional merchants and our loyal Shoppers to ensure a secure and fun experience in each purchase.

Our vision :

| We aspire to be the first destination for entrepreneurs and fashion enthusiasts, locally and internationally.

Our value :

| Trust / Quality / Creativity / Authenticity

Our mission :

Our mission is to be pioneers in providing a unique online shopping experience for women in Qatar and worldwide.

We provide collecting of carefully selected local and international brands, as we aim to inspire and encourage talented local designers to show their ideas and unique work.

Services :

Delivery and Shipping: We deliver and ship your products worldwide all while maintaining the best quality and fastest speed of delivery.

We provide for Merchants full support by providing advertising services, promotional packages, photography sessions and consultations to increase the brands' sales. All with the aim of supporting the brands' identity.

Dedicated customer Service 24/7.

Providing a variety of workshops and training courses, in different fields, to support the Merchant's brand identity.

Store management service: with just one click, you can easily monitor everything online and from a single portal with a centralized interface to view inventory, manage orders, pricing, sales and more.
