## NO MISSED OPPORTUNITIES – SPRING CLEAN UP & HOUSING REGISTRATION NOTICE

**Property Address:** 1576 W. 36th Street, Los Angeles, CA

### Community Invitation & Spring Enrollment Announcement

Excalibur Realty LLC is pleased to introduce a **No Missed Opportunities Spring Clean Up** initiative designed to strengthen our community, improve shared spaces, and support **Spring Student Enrollment Housing** in partnership with **Los Angeles Trade-Technical College (LATTC)** and the **University of Southern California (USC)**.

This initiative provides current guests and occupants an opportunity to **volunteer, engage with onsite management, and formally register their space or bed** as part of our updated housing coordination process moving forward.

### Spring Clean Up Volunteer Opportunity

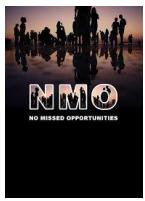

We invite all interested guests to participate in our **Spring Clean Up Day**, an on-site community service opportunity focused on:

- Refreshing shared and common areas
- Promoting a clean, respectful, and collaborative living environment
- Connecting with onsite management and housing coordinators
- Supporting incoming student residents for the Spring term

Participation is optional but strongly encouraged as part of our **community standards and engagement efforts**.

### Housing Registration Requirement (Effective Immediately)

In alignment with new operational standards and partner enrollment coordination, **all guests must register their assigned space or bed with onsite management**.

Info@NoMissedOpportunities.com

### Registration Includes:

- Confirmation of assigned sleeping space or bed
- Emergency contact information
- Acknowledgment of community rules and shared-space standards
- Coordination for student housing placements tied to Spring enrollment

### Registration ensures:

- Accurate occupancy records
- Improved communication
- Eligibility for continued stay or housing consideration

Failure to register may result in **loss of space prioritization** or reassignment as student enrollment demand increases.

### Student Housing Partnership Notice

Excalibur Realty LLC is actively supporting **LATTC and USC Spring Enrollment housing needs** at this location. As a result:

- Housing availability will be reviewed and updated
- Priority may be given to registered student occupants
- Unregistered or unconfirmed spaces may be reassigned

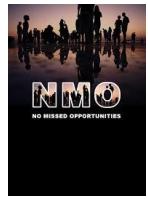

This effort is part of a broader commitment to education-focused housing, accountability, and responsible property management.

### Next Steps

All guests are encouraged to:

1. **Volunteer for Spring Clean Up**
2. **Register their space or bed with onsite management**
3. Stay informed regarding spring housing updates and residency guidelines

For questions, scheduling, or registration assistance, please contact onsite management directly.
