

Family Groups

2019-2020

Family groups are a fantastic part of Wesley's ministry through community! Family groups are small groups that meet every Wednesday, after Wednesday Night Dinners, and will feature a unique theme or goal for this year! Check out our descriptions below!

BRITTON, CHRIS, & JARYD

Come hang with us in apartment C as we embark on family groups this year! We plan to discuss Mike's sermons as well as worshipping in fellowship together. Also, we will be touring around Tallahassee and doing some fun things across the way, so watch out we will keep you posted. Everyone who wants to join is welcome and we can't wait to meet and grow through Christ with you.

CROSBY, ASHLEY, & PETER

Our family group is going to look in depth at who Jesus was, what he stood for, *who* he stood up for, and what he would do today! Come join us as we dive deeper into these ideas, and into relationship with each other this school year!

JULIA & RACHEL

Our family group is going to have a spiritual depth to it while also having fun and exploring! We are going to rotate each week, with dissecting the Sunday sermon and going on adventures around Tallahassee and getting to know each other better! We can't wait to have a great year!!

KASSIDY & KOBE

We are hoping to be a family group focused more on community building! We want the people who join our group to decide what we want to do/where we want to go each week! Our main goal is to accommodate varied interests and focus on the relationships we are forming with each other!
