Neighborhood Watch Program

Fellow Ski & Beach Members, the implementation of a Neighborhood Crime Watch is a proactive approach toward protecting our community from criminal activity and suspicious/excessive behavior. We encourage all of you as Ski & Beach residents to be alert and aware, reporting suspicious and criminal activity and initiating actions which reduce criminal activity. If you see suspicious activity, please contact local police *first* and then complete an incident report with our Board of Directors. Many of the incidents are caused by a small percentage of repeat offenders.

In order for The Neighborhood Crime Watch Program to work, please remember, "A Neighborhood Watch Program is a group of people living in the same area who want to make their neighborhood safer by working together and in conjunction with local law enforcement to reduce crime and improve our quality of life."

We have additional Neighborhood Crime Watch brochures for new residents and/or replacements for residents in need. Incident Reports should be filed by requesting a copy from any of the crime watch team members or downloaded from the CS&B website. Completed reports should be filed with the CS&B Board of Directors as needed, such as:

- Suspicious activity
- Vandalism
- Public disturbance
- Speeding
- Excessive public drinking

We have met with the local PD for further guidance and as a community, we have full support in what we are accomplishing, and we will continue to work with them as needed. If you wish to be a Neighborhood Watch person for your street, please contact the BOD as well.

Thank you.

Chocorua Ski & Beach Board of Directors
