## THE FIRST COCKTAIL PARTY

The Cocktail Party was a great way to end the Golf open, and for non-golfing supporters to come together to enjoy great food, drinks, music, dancing, cornhole, and socializing. Thank you to the vendors, sponsors, supporters, volunteers, and participants- a lot of businesses, community members and individuals made these events possible, and contributed to events that raised over \$15,000 to support ARPS student-athletes, their teams, and coaches! A special thank you to Ben Harrington for volunteering his talents as a D.J. We enjoyed the food from some local places, including Wildwood BBQ, Bruno's Pizza, Pita and Henion Bakery. See the other businesses, individuals, and sponsors who contributed in this success on the next page.

Thank you to all of the Golfers for Participating!
