

November Update

The next consultation meetings for the Whitchurch Neighbourhood Plan are now very close.

There will be 4 presentations, all with the same content, and all at St John's Hall Whitchurch. You will be able to see details of the sites still under consideration along with details of what type and numbers of houses are being proposed on each. You will also hear about the policies that are being developed that will help to protect the nature of Whitchurch that we all value so much. Your feedback on sites and policies is very much wanted as we move forward with the NP process.

Session 1: Thursday Nov 4th at 6pm

Session 2: Thursday Nov 4th at 7.30pm

Session 3: Sunday Nov 7th at 1.30pm

Session 4: Sunday Nov 7th at 3pm

We want to make sure these sessions are as safe as possible for residents to attend so in order for us to manage numbers please can you book your seats by emailing:

Details of what is being presented and how to give feedback if you are unable to attend will also be made available at <https://www.whitchurch.org/>.

Feedback should be returned by November 30th so please do have a look and make your views known.

The Whitchurch Neighbourhood Plan is a huge undertaking and we are very grateful for your engagement with the process so far – it is your plan so please do continue to give us your views.
