To fill the vacancy of Greg Patterson's resignation, a motion (Bill Erdenberger) seconded (Joe Kirschbaum) was made to appoint Mike Patterson as a board member for the Town of Bloomington, on a voice roll call Bill-yes, Joe-yes, Brenda-yes, motion carried. Motion (Bill Erdenberger) seconded (Joe Kirshbaum) was made to appoint Mike Patterson as Supervisor I for the Town of Bloomington Board, motion carried. Roads and Machinery Reports: Patrolman Crubel reported that seal coating has been completed and weeds have been sprayed. He was contacted by Sheila Price about a vehicle that went through the intersection of Spruce Rd and State Hwy 133 onto County Rd A that almost caused an accident. She was wondering if rumble strips could be put in the roads to make sure motorists stop. There is a "stop ahead" sign ahead of the stop sign on Spruce Rd and it would be the County's responsibility to take such action on County Rd A. Patrolman Crubel will look at the signs on Spruce Rd to make sure someone has not removed them. The Township will be purchasing a new culvert for Hickory Road near the rock quarry. J&N Stone will install the culvert. A new culvert will also be installed on Maple Rd this fall. The Village of Bloomington Maintenance Supervisor Mark Moris has been in contact with Patrolman Crubel about purchasing cold patch asphalt from us. Crubel said we had plenty of cold patch on hand that would allow the village to purchase what they needed. Machinery is in good condition.

Financial Report: Treasurer Brenda Kluesner presented the June 2023 financial report. Clerk Jane Patterson reported that there were no outstanding bills.

Next Meetings: The next **regular Monthly Board Meeting** will be held on Monday, August 7th, 2023 at 7:00 pm at the Bloomington Township Town hall.

Respectfully submitted
