

Committed to Improving the Quality of Surgical Care in Virginia

AMERICAN COLLEGE OF SURGEONS
ACS Chapter | **Virginia**
2022 ANNUAL MEETING

APRIL 29 & 30, 2022

Kingsmill Resort | Williamsburg, Virginia

ABOUT US

GOALS

- Elevating the standards of surgery;
- Establishing a standard of competency and character for practitioners of surgery;
- Providing a method of granting membership in the organization;
- Educating that the practice of surgery calls for special training;
- Fostering support, mutual collaboration, and friendship among its members;
- Encouraging collaborative research to improve the care of surgical patients.

STENGTH IN NUMBERS

We speak with one voice. But we can't do this without you. Your commitment and financial support allows us to continue to provide the great programs, services, and advocacy that you've come to rely upon. When you become a member, you are ensuring a bright future for the Virginia Chapter, but more importantly you are ensuring we can provide for a close association of our common effort to improve the quality of surgical care. Join online at www.VirginiaACS.org.

Stay Informed, we invite you to subscribe to the latest surgical news through our e-newsletter, The Surgical Scene, delivered right to your inbox!

CONFERENCE INFORMATION

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™

The American College of Surgeons designates this live activity for a maximum of **8.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICAN COLLEGE OF SURGEONS
Inspiring Quality:
Highest Standards, Better Outcomes

AMERICAN COLLEGE OF SURGEONS
DIVISION OF EDUCATION

Credit Claim Instructions

In order to receive your CME credits, scan the QR code or complete the survey here:

<https://form.jotform.com/220534089029152>.

Once you complete the evaluation, you will receive a certificate.

Program Objectives

- The goal of this activity is to implement a forum for the latest information regarding clinical practice and research in the field of surgery.
- Attendees will identify cutting edge treatment for surgical issues, both general and subspecialty

Poster Session

Visit the posters on Saturday. CME credit can be claimed for the Poster Session.

Exhibits

We extend our sincere appreciation to companies that have supported this conference. All refreshments will be served in the exhibit area. Please visit the exhibitors! You can also check out the virtual Exhibit Hall at www.virginiaacs.org/virtual-exhibit-hall!

Play to Win Raffle

At registration, attendees will be given a "Play to Win" game card. Visit all of the vendors to get a signature from each one. We will raffle off two Apple HomePod Minis. The raffle will be held on Saturday after the final afternoon networking break.

WASHINGTON 2022 -

CONSIDERATIONS, EXAMPLES AND EXPLANATIONS

Patrick V. Bailey, MD, MLS, FACS

Medical Director, Advocacy

Division of Advocacy & Health Policy

Patrick V. Bailey, MD, MLS, FACS is Medical Director, Advocacy in the Division of Advocacy and Health Policy of the American College of Surgeons and a Clinical Professor of Surgery at the Uniformed Services University for the Health Sciences. Prior to assuming his position with the ACS in 2014, he was in clinical practice at Maricopa Medical Center (now Valley Wise Health) in Phoenix.

A graduate of Arkansas State University and the University of Tennessee Center for the Health Sciences in Memphis, Dr. Bailey completed his general surgery internship at the George Washington University and his general surgery and surgical critical care residencies at St. Louis University. His pediatric surgery residency was completed at the Children's Hospital of Buffalo. He remains board certified in General Surgery and Pediatric Surgery.

Following three years of active-duty service, he served on the faculty of the surgery departments at the University of Tennessee in Knoxville, the University of South Dakota and the University of Arizona, Phoenix. He was honorably discharged as a Captain from the Navy Reserve in 2020. In addition to his medical degree, Dr. Bailey holds a Master of Legal Studies degree from the Sandra Day O'Connor College of Law, Arizona State University, and will complete work for his J.D. (Juris Doctor) degree from the Georgetown University Law Center in December of 2022.

FRIDAY, APRIL 29

Council & Committee Meetings

- 3:00 p.m. – 4:00 p.m. **Virginia Chapter, ACS Council Meeting**
Randolph Room
- 4:00 p.m. – 5:45 p.m. **Committee on Applicants Interviews**
District 1 | Wareham Room
District 2 | Yeardley Room
District 3 | Archer Room
- 4:15 p.m. – 5:15 p.m. **Trauma Committee Meeting**
Whittaker Room
- 4:15 p.m. – 5:15 p.m. **Cancer Committee Meeting**
Colston Room

Social Events for all Meeting Attendees

- 5:45 p.m. – 6:45 p.m. **Welcome Reception**
Moody's
- 6:45 p.m. – 8:45 p.m. **VA-ACS Dinner | Sponsored by Castle Biosciences**
Elements Southall Room

SATURDAY, APRIL 30

7:00 a.m. – 8:00 a.m. **Registration Opens | Visit Exhibits | Poster Session**
James River Ballroom Prefunction Area & A/B

Confirmed time & location on the finalized conference agenda.

Decision Dx

► Melanoma

Predicts individual risk in cutaneous melanoma patients recurrence or metastasis including the likelihood of sentinel lymph node positivity

MyPath | DecisionDx DiffDx

► Melanoma

Improves diagnostic resolution in melanocytic lesions of uncertain malignant potential

Decision Dx

► SCC

Accurately identifies the risk of metastasis in high-risk squamous cell carcinoma patients with one or more risk factors
