OC AROUND THE TABLE 2026

Unity Within Community

Dear Friend,

OC Around the Table is more than a meal—it's a movement. Built on the simple idea that sharing food builds understanding, our community potluck brings together people of all backgrounds to connect, converse, and belong. Last year, over 2,100 participants gathered around one shared table, setting a U.S. record for the largest community potluck dinner.

Now, we aim higher. The current Guinness World Record stands at 3,264 participants, and Orange County is ready to rise to the occasion—not just to break a record, but to strengthen unity across our diverse community.

Your support makes this possible. Contributions fund essential elements like seating, logistics, permits, and official record verification.

We invite you to consider becoming a sponsor of OC Around the Table 2026 and helping lead this meaningful community effort. Your sponsorship will demonstrate your commitment to connection, unity, and the well-being of Orange County. Sponsorship opportunities are available at the \$5,000, \$2,500, \$1,000, \$500, and \$250 levels, allowing businesses, organizations, and community partners to support this shared mission at a level that best reflects their commitment.

If sponsorship is not possible at this time, we would still be honored to have you join us for this meaningful gathering and be part of a day that celebrates unity, friendship, and community across Orange County.

Together, we're not just setting a table—we're setting an example.

with gratitude,
