

## Welcome to IMPACT!

A new student leadership development program that will change your climate, school community, and most of all your students in how they develop into leaders!

## IMPACT PACKAGES

### IMPACT Program: \$1500/year

- Includes all materials, videos, and online training on how to implement the program in your school.

### IMPACT/COACHING PACKAGE I: \$3150/year

- Includes all materials, videos, and online training on how to implement the program in your school.
- (1) Onsite coaching day with Jim McMillan. This day is focused on analysis of the school environment, specific instructional support in getting your program set up for success, working with your Ambassadors on leadership techniques, and supporting the school Ambassador coaches in any areas of need in getting started with the program.

### IMPACT/COACHING PACKAGE II: \$4800/year

- Includes all materials, videos, and online training on how to implement the program in your school.
- (2) Onsite coaching days with Jim McMillan. Jim will visit each semester of school, analyzing the school environment, providing specific instructional support in getting your program set up for success, working with the Ambassadors on leadership techniques, and supporting the school Ambassador coaches in specific areas of need within the program.
